-41 Within one month of a new Employee's hire date, thirty (30) minutes of release time will be made available for the new Employee and a designee of the Association to meet. Such meeting shall be scheduled with the new Employee's supervisor with forty-eight (48) hours notice. The Employee has the right to not participate in such meeting.

If the Association President who relinquishes their office meets the minimum requirements for a vacant position and is denied the ninety (90) day evaluation period they shall receive written reasons why they were not selected for the evaluation period with a copy to the President of the Association.

-43 Such time off shall not exceed forty (40) hours per week except with the specific approval of the Employer.

## **ASSOCIATION REPRESENTATIVE**

-44 The Employer agrees that designated representatives of the Association shall have reasonable access to the premises of the Employer during regular business hours to conduct Association business. Such representatives shall give advanced notice of their presence to the supervisor concerned and such visits shall not be disruptive of the Employer's operation.

## **BARGAINING COMMITTEE**

-45 The bargaining committee of the Association will include not more than seven (7) bargaining unit members and two (2) alternate members employed by the University. It may also include non-employed representatives of the Association, not more than two (2) in number. The Association will give to the Employer, in writing, the names of its Employee representatives on the bargaining committee at least sixty (60) days prior to the expiration date of this Agreement.

## **LOST TIME**

-46 Employee members of the bargaining committee will be paid by the Employer for time spent in negotiations with the Employer, but only for the straight time hours they would otherwise have worked on their regular work schedule. If the Employee desires to join the APSA, the Employee shall complete both the application for membership and authorization card for checkoff of dues and return them to the APSA Membership Secretary.

-50 The Employer agrees to deduct membership dues from the pay of each Employee who executes or has executed the authorization for checkoff of dues.

-51 The initial deduction for any Employee shall not begin unless the authorization for checkoff of dues and the certified amount of dues, as provided by the APSA Membership Secretary, have been sent to the Employer's payroll department at least fifteen (15) calendar days prior to the effective pay day.

-52 All monies deducted by the Employer shall be remitted to APSA once each month by the twentieth (20th) calendar day of the month following the month in which deductions were made together with a list of current Employees showing the amount of Association dues deducted from each Employee.

-53 In cases where a deduction was made which duplicates a payment already made to APSA by an Employee, or not in accordance with the Bylaws of the Michigan State University Administrative Professional Supervisors Association, refunds to the Employee shall be made by the APSA or the Employer, whichever is applicable. The Employer will notify the APSA Membership Secretary or President via email when the Employer is refunding dues to an Employee.

-54 The Employer shall not be liable to APSA, by reason of Paragraph 50 of this Article, for the remittance or payment of any sum other than that constituting actual deduction made from the pay earned by the Employee.

-55 The Employer shall not, during the life of this Agreement, deduct dues from Employees in this bargaining unit for any labor organization other than the Association without APSA's written permission.

-56 APSA shall protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

#### **DISPUTES CONCERNING COMPLIANCE**

-57 The Association shall protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Agreement.

#### **REVOCACTION**

-58 An Employee may revoke their voluntary checkoff authorization at any time by submitting notice on an authorized form to the Employer's Payroll Office. Such forms shall be processed within thirty (30) days of receipt. The Employer will notify the Association monthly of the names of Employees who leave or transfer out of the bargaining unit and who remain in the Bargaining Unit but have revoked their checkoff authorization.

#### **AID TO OTHER LABOR ORGANIZATIONS**

-59 The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Association.

#### **OTHER AGREEMENTS**

-60 The Employer shall not enter into any other agreements with Employees in this bargaining unit, individually or collectively which in any way conflicts with the Provisions hereof.

## **ARTICLE 7**

### **SETTLEMENT OF DISPUTES**

#### **EMPLOYEE RIGHTS**

-61 At any hearing, conference or meeting which may result in disciplinary action to an Employee in the bargaining unit, the Employee may and is encouraged to request the presence of an Association representative. The Employer must, if requested by the Employee, allow sufficient time for the Employee to arrange to have Association representation.

-62 An Employee has the right to be informed prior to the investigatory interview of the subject matter of the interview.

-63 An Employee is entitled to a pre-interview conference with their Association representative.

-64 The parties agree that any individual Employee at any time may present grievances to the Employer and have the grievances adjusted, without intervention of the Association, if the adjustment is not inconsistent with the terms of this Collective Bargaining Agreement now in effect, providing that the Association has been given the opportunity to be present at such adjustment.

#### **GRIEVANCE COMMITTEE**

-65 Grievances may be handled by Association representatives, and/or designated non-employee Association representatives in the processing or hearing of any grievance not to exceed three (3) persons, excluding the aggrieved Employee. Employee representatives of the Association engaged in processing or hearing any grievance during regular scheduled working hours shall be paid for such time lost at the regular rate of pay, but in no event will more than three (3) Employee representatives of the Association be paid for participation in any one session.

-66 The Association President and/or Vice President acting as a Grievance Officer may represent the Employee at all steps of the grievance procedure.

-67 The Association Vice President acting as a Grievance Officer shall be allowed time off without loss of pay, to investigate grievance(s) to be discussed or which have been discussed with the Employer upon having received permission from their supervisor to do so. The Association shall notify the Employer as to the name of its Vice Presidents acting as a Grievance Officer.

-68 An alternative Grievance Officer shall be designated by the Association to act in the absence of the Grievance Officer.

## **TIME LIMITS**

-69 When reference to calendar days is made in this Article, holidays shall not be considered in these time periods. Time limits set forth in this grievance procedure shall be strictly adhered to unless such time shall be extended by mutual written agreement of the parties.

## **WAIVER OF GRIEVANCE STEPS**

-70 Steps of the grievance procedure may be waived in writing by mutual agreement of both parties. The grievant may withdraw a grievance at any step of the procedure. Grievances so withdrawn shall not be reinstated.

-71 If the Employer fails to schedule a meeting or answer the grievance within the designated time limits, the grievance may be appealed to the next step of this grievance procedure upon the date of the expiration of the applicable time limit.

-72 If the Union fails to appeal a grievance after receipt of the previous step answer, the Employer's failure to schedule a meeting, or the Employer's failure to timely answer the grievance, the grievance shall be considered settled on the basis of the Employer's last answer and not be subject to further review.

## **COMPUTATION OF BACK WAGES**

-73 No claim for back wages shall exceed the amount of salary the Employee would otherwise have earned at their regular rate, including offsets for unemployment compensation, workers' compensation and any wages earned.

## **REPRIMAND, SUSPENSION OR DISCHARGE**

-74 In the event an Employee is disciplined, demoted, or discharged, copies shall be given to the Employee and provided to the Association at the time it is given to the Employee and a copy placed in the Employee's official personnel folder. Such notice shall be specific and outline the reasons for the disciplinary action or discharge. The Employer promotes a policy of progressive discipline; i. e. , discipline shall gradually increase depending on the severity and/or frequency of the infractions. Normally, disciplinary action begins with a verbal warning for the first offense and culminates with discharge only after repeated attempts to correct the Employee's behavior have failed. Serious infractions may warrant the immediate imposition of a written reprimand, suspension, demotion, or discharge, as appropriate.

-75 The affected Employee will be allowed to discuss their disciplinary action with an Association representative, and the Employer will make available an area where they may do so if they are required to leave the premises.

-76 In imposing any discipline on a current charge, the Employer will not take into account any prior infractions where the resulting discipline was issued more than eighteen (18) months previously if there has been no further disciplinary action taken during that time. The time frame in the previous sentence shall be six (6) years in cases of discipline arising from violations of the University Policy on Relationship Violence and Sexual Misconduct and Title IX Policy and/or the Anti-Discrimination Policy.

## **GRIEVANCES CONCERNING DISCIPLINE**

-77 Should the disciplinary action or discharge be considered without just cause, it shall be appealed as a grievance within fourteen (14) calendar days after written notification of the discipline is received by the affected Employee and the Association. A grievance over a written record of verbal warning or a written reprimand shall be submitted at Step 2 of the grievance procedure; whereas, all other disciplines shall be submitted at Step 3. Failure to submit a written grievance within the time limits shall constitute a waiver of all claims concerning such disciplinary action or discharge.

## **GRIEVANCE DEFINITION AND PROCEDURE**

### **DEFINITION OF GRIEVANCE**

-78 A grievance shall be defined as a dispute, reduced to writing, concerning the interpretation, application and alleged violation of any of the terms of this Agreement.

-79 Any Employee having a dispute over the interpretation or application of the terms of this Agreement, shall present it to the Employer in the following manner.

### **GROUP GRIEVANCE**

-80 A group grievance shall be only one in which the fact(s) in question and the provisions of the Agreement alleged to be violated are the same as they relate to all Employees in the identified group. In the event that Employees have a group grievance, the President or Vice President acting as a Grievance Officer shall submit the grievance on behalf of all affected Employees. When the affected group is contained within one department, college, or division, the grievance shall be initiated at Step 1 of the grievance procedure. Any other group grievance shall be filed at Step 2.

### **ASSOCIATION ASSISTANCE**

-81 At each step of the grievance procedure, the Employee may request the presence of the Association President or Vice President acting as the Grievance Officer.

-82 If an Employee believes they have a problem in connection with their employment, they are encouraged to discuss it with their immediate supervisor.

## **FORMAL GRIEVANCE PROCEDURE**

### **STEP 1**

-83 A grievance must be reduced to writing and presented to the administrative head or designee within fourteen (14) calendar days after its alleged occurrence in order to be a proper matter for the grievance procedure. The grievance shall be dated and signed by the aggrieved Employee and the Association President or Vice President acting as the Grievance Officer, and shall set forth the facts, including the dates and provisions of this Agreement that are alleged to have been violated, and the remedy desired. The grievance shall not be considered submitted until the immediate administrative head or designee receives the written grievance. The administrative head or designee will schedule a meeting with the grievant and the President or Vice President acting as the Grievance Officer, if requested by the Employee, within fourteen (14) calendar days from the day the written grievance was received. The administrative head or designee will then answer the grievance in writing within fourteen (14) calendar days from the meeting at which the grievance was discussed.

### **STEP 2**

-84 If the answer from the administrative head or designee is not satisfactory, the Association shall submit an appeal within fourteen (14) calendar days of the receipt of the Step 1 answer to the Director of Employee Relations or designee, indicating the reasons why the written answer of the administrative head or designee was unsatisfactory. The Office of Employee Relations will schedule a meeting between no more than three (3) representatives of the Association, excluding the grievant, and three (3) representatives of the Employer within fourteen (14) calendar days from the date the appeal is received to discuss the grievance. The Office of Employee Relations will then answer the grievance in writing within fourteen (14) calendar days from the date of the meeting at which the grievance was discussed.

## **ARBITRATION**

### **STEP 3**

-85 If the Office of Employee Relations' answer is unacceptable, settlement may be determined by a decision of an arbitrator selected by the parties. The Association will notify the Office of Employee Relations within thirty (30) calendar days after the receipt of the Step 3 answer if the Association wishes to appeal the grievance to arbitration by filing a demand for arbitration with the American Arbitration Association (AAA) with a copy to the Office of Employee Relations.

The following paragraph applies to any grievance filed to arbitration after October 1, 2024. Any arbitration hearing over a grievance on an employee's suspension without pay of five (5) working days or longer and/or discharge shall be commenced within one hundred twenty (120) calendar days of the arbitrator's acceptance of the appointment or selection through AAA. The parties may extend the time on mutual agreement. If the arbitrator cannot offer dates within the one hundred twenty (120) calendar days, the parties will then request a conference with the arbitrator to select a mutually agreeable date.

The fees and approved expenses of an arbitrator will be borne equally by the University and the Association.

The rules of the AAA shall apply to all arbitration hearings.

The use of a court reporter will be permitted at the request of either party. A copy of the transcript will be provided without cost to the party not requesting the court reporter.

### **ARBITRATOR'S POWERS**

-86 The arbitrator shall have no power to add to or subtract from or modify any of the terms of this Agreement nor shall they substitute their discretion for that of the Employer or the Association where such discretion has been retained by the Employer or the Association, nor shall they exercise any responsibility or function of the Employer or the Association. Where either party challenges the jurisdiction of the arbitrator, the hearing will be held to determine whether the arbitrator does have jurisdiction before the hearing can be held on the merits.

-87 The arbitrator shall have no authority to establish wage and salary scales, to change any wage or salary rate, or change classification descriptions except as otherwise provided in this Agreement.

## **EXCLUDED FROM ARBITRATION**

-88 Excluded from arbitration are disputes and unresolved grievances concerning merit increase decisions, those matters provided for in provisions on probationary Employees and filling vacant positions.

## **FINALITY OF DECISIONS**

-89 The arbitrator's decision shall be final and binding upon the Association and its members, the Employee or Employees involved and the Employer, provided however, either party retains all legal rights to challenge arbitration decisions thereof where such action is beyond the power of the arbitrator or where the award was procured by fraud, misconduct or unlawful means.

## **SPECIAL CONFERENCES**

-90 The Employer and the Association agree to meet and confer upon the call of either party and shall be scheduled within fourteen (14) calendar days of the request to meet, unless mutually agreed otherwise. Each party shall be represented by not more than four (4) persons at special conferences.

-91 Employees released to attend the special conference may meet, if on the Employer's property, at a place designated by the Employer, for a period not to exceed one-half (1/2) hour immediately preceding the conference.

-92 Employees released to attend special conferences will be paid by the Employer for time spent in special conferences, but only for the straight time hours they would otherwise have worked on their regular work schedule.

## **ASSOCIATION-EMPLOYER MEETINGS**

-93 The Employer and the Association shall meet and confer through their respective committees (four [4] representatives of the Employer and four [4] representatives of the Association) on at least a quarterly basis to deal with matters of mutual interest, such as but not limited to, grievances, merit pay allotments, hours of employment, conditions of work, and quality of work life to increase job satisfaction, problem-solving and decision making.

-94 The parties shall present an agenda to each other at least two (2) weeks in advance of the meetings and official minutes of the meetings inclusive of agreements and items addressed will be kept and distributed to the committee members. Emergency items may be added at the request of either party.

## **MEDICAL DISPUTES**

-95 In the event of a dispute involving any Employee's ability to perform their job at the University when the Employee is not satisfied with the determination of the University's physician, they may submit a report from a medical doctor their own choosing and at their own expense. If the dispute still exists, at the request of the Association, the University's physician and the Employee's doctor shall agree upon a third medical doctor to submit a report to the Employer and the Employee, and the decision of such third party will be binding on both parties. The expenses of the report of the third party shall be shared equally by the Employer and the Employee.

## ARTICLE 8

### FLEXIBLE APPOINTMENTS

#### DEFINITION

-96 A flexible appointment is a voluntary commitment by a staff member to a specific schedule of work which provides between 75% and 92% time equivalent salary over a calendar year, with some benefit coverages equivalent to full-time appointments. Flexible appointments are subject to approval by MSU Human Resources.

-97 There are two types of flexible appointments:

Type 1: Full-time active employment for nine (9), ten (10), or eleven (11) months per year with a prescheduled unpaid leave of absence with benefits ("flex-leave") during the remaining month(s). The Employee's position is held for their return at the end of the flex-leave, subject to the position being eliminated and the provisions of the Layoff-Reduction in Force as applicable.

Type 2: 75-89% of a 40 hour per week active employment over the entire calendar year (30-35 hours per week) with part-time equivalent salary. As with any bargaining unit position, job demands may require work outside (overtime pay may be granted in accordance with the overtime provision) and in addition to those of the regularly scheduled flexible schedule.

-98 Where a Type 1 flexible appointment includes a leave with benefits, the Employee's position is held for their return at the end of the flex-leave, subject to the conditions specified below.

-99 The objective of flex-year appointments is to achieve budget flexibility where departmental functions can be accomplished with 75% employment, through a combination of benefits and other incentives.

-100 Departments identify positions for flexible appointments. Regular Employees, and persons to be employed in those pre-identified positions, may agree to be placed in flexible appointments. Employees desiring flexible appointments, but whose positions are necessarily full-time may apply for transfers to flexible appointments, subject to relevant policies. When a department desires to change a position from full-time to a flexible appointment and the incumbent does not volunteer for that status, reduction in force procedures may be initiated to achieve the reduction within the department. If a flexible appointment position is subsequently eliminated, reduction in force procedures will be initiated. Employees with flexible appointments who later desire a change in appointment may apply for other positions as they become available.

## **GENERAL PROVISIONS**

### **FLEXIBLE POSITIONS**

-101 The department administrator shall identify the positions appropriate for flexible appointments, and, if specific duties are to be eliminated, indicate in writing the duties of such positions which are to be eliminated. This designation must be approved by MSU Human Resources, after receiving Employee input.

-102 Once a position is officially designated as flexible, only flexible appointments are acceptable.

-103 A flexible position shall maintain that designation until the departmental administrator acts to designate it otherwise by submitting the appropriate form for the approval of MSU Human Resources.

### **FLEXIBLE APPOINTMENTS**

-104 A flexible appointment, either as an initial appointment or as a change of appointment, may be granted only with the agreement of a prospective or current staff member. Without agreement, a current staff member may be subject to the Reduction in Force policy.

-105 A flexible appointment must be arranged in advance with an Employee, and approved by the departmental administrator and MSU Human Resources.

-106 All flexible appointments will annually provide a minimum of 1,560 hours of scheduled work (subject to necessary reductions in force).

-107 A flexible appointee's FTE salary is the amount that would be paid if an entire year was worked full-time (e. g. , \$1,000/month x 12 months = \$12,000). The base salary is the actual expected pay during the year. For example, if the FTE salary is \$12,000, base salary at 75% would be:

Type 1: \$1,000 x 9 months = \$9,000

Type 2: \$750 x 12 months = \$9,000

-108 Flexible appointees are regular Employees.

-109 Leaves with benefits may be established for periods of one (1) month or more, up to a maximum of three (3) months (in increments of one (1) month).

-110 Leaves with benefits are only those that are prearranged as part of an approved flexible appointment.

-111 No Unemployment Compensation is paid during a leave with benefits. (Inasmuch as appointees on flex-leave have neither been laid off nor terminated but are on a mutually agreed upon leave of absence, they are ineligible for Unemployment Compensation. If Unemployment Compensation is sought by the Employee, the leave with benefits is voided and the Employee shall be placed on layoff status, without application of reduction in force provisions).

-112 If the flexible appointment converts to a full-time status, the Employee will receive an appropriate salary adjustment.

-113 Employees volunteering for flex-leaves must appropriately document their voluntary concurrence with their change in status. This action is subject to the review and approval by MSU Human Resources.

### **FRINGE BENEFITS**

-114 A flexible appointee's benefit eligibility during active flexible status and unpaid flex-leave is as follows:

Benefits Programs. Flexible appointees:

Receive the full University contribution toward health care coverage.

Have Long Term Disability, Dental, and Basic Life Coverage. (Subject to all current eligibility requirements. Employees otherwise eligible for Long Term Disability continue their eligibility during the leave with benefits as well as active employment; however, benefit payments do not commence during the leave with benefits. The base salary for the period of active employment prior to the flex-leave is used for the determination of benefits.)

May maintain optional Employee-paid life and accidental death and dismemberment coverage. MSU Human Resources will bill Employees for applicable employee deductions related to benefits.

-115 Educational Assistance is available, subject to all other eligibility requirements. However, Type 1 flexible appointees will be allowed to "bank" educational assistance for use during non-work flex-leave periods for six (6) classes up to fourteen (14) credits per MSU academic year.

-116 Personal Leave Days will be credited on a proportionate basis, i. e. : three-quarter (3/4) time service (either Type 1 or 2 Flex) will receive up to eighteen (18) hours in credits each year according to the Personal Leave Days schedule.

-117 Full service credit is given toward retirement, benefits eligibility waiting periods, and vacation service months.

-118 Paid leave accruals are proportionate, and are accrued as follows:

Type 1: During active full-time service, the Employee accrues leave as a full-time Employee. During a flex-leave, paid leave does not accrue and may not be utilized (they are frozen subject to relevant policies).

Type 2: During the entire calendar year, the Employee accrues leave at a proportionate rate (unless additional leaves without pay are taken or the Employee's status changes).

-119 University contribution to the MSU 403(b) Base Retirement Plan and Social Security. (Subject to all current eligibility requirements.)

Type 1: During active full-time service, the Employee receives University contributions based on their full-time salary. No University contributions are made while the Employee is on a leave with benefits.

Type 2: The Employee receives the University contributions during the entire year based upon their part-time equivalent salary.

-120 All salary-related benefits (paid leave, Employee-Paid Life, 403(b) Base Retirement Plan, Long Term Disability, Basic Life Plan, Extended Disability, and longevity) are based upon the flexible appointee's base salary. The longevity cap will be that of full-time Employees.

### **PROBATIONARY PERIODS**

-121 Flex-leaves may begin during a probationary period; however, the time spent on the flex-leave will not count toward completion of the probationary period.

### **OTHER EMPLOYMENT**

-122 Employees may work for other Employers while on flex-leave.

### **RETURN TO ACTIVE EMPLOYMENT**

-123 Employees returning from a flex-leave are assigned to their previously held positions, unless the circumstances of the University change to the extent that the position no longer exists. Those affected by a reduction in force while on flex-leave are eligible for the provisions of the reduction in force policy. Affected Employees will be given written notice as soon as practicable, but no less than that stipulated in the reduction in force policy.

## **SALARY PAYMENTS**

-124 Flexible appointees receive their base salary during their period of active service and no salary during flex-leave.

## **HOURS WORKED RECORDS**

-125 Departments are responsible for maintaining record of hours worked for nonexempt Employees with flexible appointments.

## **POSITION MAINTENANCE**

-126 A position, held by an Employee, which is changed to a flexible appointment, and some of whose duties are thereby eliminated, shall not be downgraded or eliminated as a direct result of the flexible appointment.

-127 Disagreements in the interpretation or application of the flexible appointment policy shall be subject to the grievance procedure and immediately proceed to Step 2.

## **NOTICE REQUIREMENTS**

-128 At the time of presentation of a voluntary flexible appointment form to any Employee, the Employee shall be advised in writing:

-129 If a Type 1 flexible appointment, the length of time of the unpaid leave, the time or times when said leave must be taken.

-130 If a Type 2 flexible appointment, the schedule of each week which the Employee shall be required to work.

-131 In addition, each Employee shall receive at least ten (10) working days' written notice of the proposed flexible appointment, or modifications thereto, before being required to respond. An affected Employee may consult with a representative of the Association prior to making a voluntary election to accept a flexible appointment.

## ARTICLE 9

### REDUCTION IN FORCE

-132 The University endeavors to provide continuing employment for Employees. Reductions in work force may be necessary due to lack of funds, lack of work, and/or other cause, not to undermine the Association. A reduction in force will not be used for constructive discharge. An Employee may exhaust accrued vacation at the time of layoff but doing so will not extend the Employer's health care contributions.

-133 Whenever practicable, reductions should be made by:

- A. restricting recruitment,
- B. transfers to vacant lateral or lower-level positions where the Employee is capable of performing the work, and/or
- C. normal attrition,

but if deemed necessary by the University, layoffs will be utilized.

### GENERAL PROVISIONS

-134 Employees to be laid off shall be given a minimum of sixty (60) calendar days notice--a copy of which will be sent to the Association President--not to be offset by accrued vacation.

-135 In the event of a National, State or University declaration of a state of disaster or state of emergency directly affecting the University's normal operations:

- A. Where no work is available due to such conditions Employees shall be granted up to three (3) work days of paid administrative leave to cover their absence from their normally scheduled hours of work. Employees who are absent due to sick or annual leave usage or who have previously scheduled annual leave during the declared emergency are not entitled to paid administrative leave. An Employee required to work during such declared emergencies shall, at a minimum, in addition to pay, be granted paid time off equal to the number of hours worked, unless said Employees are entitled to overtime compensation pursuant to other contractual provisions;
- B. With notification to the Association, after the three (3) work days of paid administrative leave days provided in subsection (A) above, the Employer may temporarily layoff Employees for an additional period of twenty-seven (27) work days without providing to affected Employees the minimum sixty (60) day written notification required by Paragraph 138, provided, however, the Employer shall

give such affected Employees and the Association a written confirmation of their layoff status as soon as is administratively possible under the circumstances. Employees placed on temporary layoff may use accrued vacation leave, accrued personal leave and/or compensatory time to cover the period of the temporary layoff or choose to be placed on unpaid leave; provided, however, while on temporary layoff, an Employee may request a change to sick leave usage for time taken for a documented illness; Employees without sufficient accrued vacation leave, accrued personal leave and/or compensatory time to cover all of the period of the temporary layoff shall be placed on an unpaid leave for all the uncovered balance of the temporary layoff period. An Employee who incurs unpaid leave as a result of the temporary layoff shall have continued coverage under their current plan with the existing level of University contribution for Employer-paid health care coverage, prescription drug, dental, life insurance and insurance programs from the time of layoff continued during the temporary layoff;

- C. Upon expiration of the temporary layoff period provided for by this Paragraph, all Employees affected by the temporary layoff shall be recalled to their respective major units, unless notified in advance in writing, with a copy to the Association, that he or she is being continued on an indefinite layoff. Nothing in this subparagraph shall preclude a grievance being filed by the Association on behalf of such affected Employees seeking to enforce Paragraphs 132-133, 137 and 143-150 of this Article;
- D. The Association and the Employer shall meet in a special conference as soon as possible but no later than seventy-two (72) hours following the declaration of any emergency, and in subsequent meetings as needed upon the call of either party. One of the special conference issues which shall be addressed will be the impact of the emergency upon the bargaining unit.
- E. For purposes of this Paragraph, "emergency" shall mean an occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from a natural or man-made cause, including, but not limited to, fire, flood, snowstorm, ice storm, tornado, windstorm, wave action, oil spill, water contamination, utility failure, hazardous peacetime radiological incident, major transportation accident, hazardous materials incident, epidemic or public health emergency, air contamination, blight, drought, infestation, explosion, or hostile military action, or similar occurrences resulting from terrorist activities, riots, or civil disorders.

-136 Within a unit, by classification, probationary Employees will be separated before non-probationary Employees are laid off, where it is determined that the non-probationary Employees are likely to be capable of performing the work within a ninety (90) days.

- A. Where capability to perform the work remaining is equal, the Employer will follow these priorities for reduction in force:

1. Employees with unsatisfactory records before Employees with satisfactory records. An Employee shall not be considered unsatisfactory until the Employee's performance is determined to be unsatisfactory in two consecutive evaluations.
2. Employees with short service (seniority) before Employees with long service (seniority).

-137 Upon request, prior to the effective date of the layoff, representatives of the Association will be given the opportunity to meet and discuss the circumstances of the layoff with the Employer.

-138 For purposes of layoff only, layoffs shall be by classification within units identified below.

-139 it is understood by the parties that the organizational business structure below is ever-changing and reflects a snapshot, accurate at the time of contract signatures. The Employer will update the Union annually with the most recent snapshot. Layoffs will be administered based on the unit structure at the time of the intended action.

-149 In case of termination, benefits will be affected as follows:

- A. Dental coverage ceases on the last day of the month in which employment is terminated.
- B. The Long-Term Disability, Basic Life, Optional Employee, Spouse and Child Life and Travel Accident coverage cease on the last day of the month in which employment ends.
- C. Health care coverage may be converted to a direct pay plan by contacting the company involved within thirty-one (31) days.
- D. Employee-Paid Life and Basic Life Plans may be converted, if desired, by contacting the company involved within thirty-one (31) days.
- E. In accordance with the Consolidated Omnibus Budget Reconciliation Act, most Employees and/or their covered dependents losing coverage or eligibility have rights to continue their health and dental benefits for specified periods of time. Details are available on the MSU Human Resources website.

**UNUSED SICK LEAVE CREDITS**

-150 A laid-off Employee whose recall rights have expired and who is not otherwise eligible for payout of accrued sick leave under Paragraph 293 and 295 of this Agreement may receive partial payment for unused sick leave credits according to the schedule below.

### FILLING VACANT POSITIONS

-153 The University agrees to the principle of career development of its Employees and will, in good faith, encourage career concepts of employment.

#### PROCEDURE

-154 The recruitment of applicants and the filling of vacant positions is the responsibility of the Employer. The Employer is committed to the concept of promotion from within. All vacancies will be posted except where mutually agreed upon in writing with the Association and the University. All candidates who possess the posted qualifications shall be considered. MSU Human Resources will provide employing departments with a list of the candidates. If MSU Human Resources determines an applicant to be not qualified for a posted position, the Employee will be notified immediately. In any instance where there are five (5) or more on-campus bargaining unit candidates possessing the posted qualifications, at least five (5) of said candidates shall be interviewed along with up to two (2) bypass interview candidates under Paragraph 142. In the event fewer than five (5) bargaining unit candidates apply and possess the posted qualifications, each shall be interviewed along with up to two (2) bypass interview candidates under Paragraph 142.

-155 The procedures for filling positions shall be by-passed using the procedures in Article 9 for persons for such reasons as, but not limited to:

- returning from leave of absence,
- receiving workers' compensation,
- long-term disability,
- extended disability,
- trial period termination,
- imminent layoff,
- layoff,
- hours reduction.

See Paragraph 140 for bypass interview opportunities offered to Employees working at other represented work locations.

-156 It is understood that the listing of bypass interview statuses is not a priority listing and no grievance shall be filed over the issue of priority status.

The University may utilize “pool postings” and “open rank” postings. A “pool posting” is a posting that will have multiple openings behind a single main posted advertisement for a vacancy. An “open rank” posting is a posting containing multiple classification levels for which the selected candidate may be hired based upon their credentials. The University will notify the Association when such postings are utilized.

## **INTERVIEWS**

-157 The responsibility for determining which candidates shall be interviewed will reside with the employing department, except for the up to two (2) bypass candidates referred for interview. This determination will be based upon information obtained from the candidates' credentials. The department should take longevity of service into account when determining who will be interviewed, but capability to do the work shall be the prime factor for setting the interview list.

-158 The Association shall be provided with a copy of the Position Vacancy Record which will contain the reasons for selection and non-selection. This shall be done in a timely manner. If the procedures outlined above have been followed, the determination will not be grievable.

## ARTICLE 11

### CLASSIFICATION/RECLASSIFICATION OF POSITIONS

-159 The Employer establishes and maintains a system for the evaluation and classification of all bargaining unit positions. The authority to classify new positions, reclassify existing positions and eliminate positions is vested in MSU Human Resources.

### NEW CLASSIFICATIONS AND RATES

-160 When a classification is established or modified, the grade level for the classification shall be fixed by the Employer and the Association shall be notified prior to implementation. The compensation level shall be in conformity with rates established for positions of similar responsibility. If there is a disagreement over the compensation assigned the position, a special conference may be scheduled with the Office of Employee Relations. If the disagreement is not resolved, the Association may file a demand for arbitration within fourteen (14) calendar days of the special conference. The Arbitrator shall be limited to determining the appropriateness of the compensation level assigned the position but shall be without power to assign a compensation level for the classification.

### RECLASSIFICATIONS

-161 The Unit Administrator will normally initiate requests for position reclassification.

- A. Requests for position reclassification may also be initiated by the Association.
  - 1. Requests will be directed to MSU Human Resources. Following MSU Human Resource's review of the request, MSU Human Resources will make a recommendation to the Director of Employee Relations whose decision on the request shall not be grievable, but may be the subject of a special conference.
  - 2. A copy of the decision of the Director of Employee Relations on such requests, together with the reasons for denying or approving the request, will be given to the Association's President at the time the decision is made. The Director of Employee Relations shall make this decision within forty-five (45) calendar days after receiving MSU Human Resource's recommendation.
- B. A copy of all reclassification requests and supporting information (other than those made by the Association) will be given to the Association's President at the time that the request is reviewed by MSU Human Resources.
  - 1. If the reclassification process results in a change in grade level, between APSA positions only, that Employee shall be paid the new rate and any

changed benefits and retirement contributions thirty (30) work days prior to the date of the request for reclassification.

2. An Employee whose position is reclassified will not be required to serve either a probationary period or trial period. However, when the Employee is still in their initial probationary period at the time of reclassification, they will serve the remainder of the probationary period.
3. In the event the Employer reclassifies a position in APSA and the incumbent in the position is also an Executive Board Member of APSA, the removal of the APSA Board Member from the bargaining unit shall be delayed for sixty (60) calendar days from the date of approval by Human Resources. In order to qualify for the sixty (60) day delay, the Executive Board Member must have been previously identified to the employer by the APSA. This provision shall not delay the removal of supervisory duties or other personnel changes, including changes in pay, associated with the reclassification.

### **SALARY RATE**

-162 The salary of an Employee whose position is reclassified to a higher grade level shall be no less than the minimum salary of the higher grade level.

### **INTERIM ASSIGNMENTS**

The University shall pay a minimum lump sum "special payment" of \$500 in any monthly pay period where the Employee has performed in an interim (or acting) assignment for fifteen (15) or more working days. The payment may be a temporary addition to base salary or a lump-sum special payment at the unit's discretion. A lump-sum special payment will not be subject to salary-based benefits, such as the Employer or Employee contributions under the MSU 403(b) base retirement plan, life insurance, etc.

In order to qualify for a special payment, the employee must be assigned to the interim (or acting) position by a supervisor or managerial university official. The interim (or acting) assignment must be to cover a vacancy or leave. The assignment will be in writing and must include the following components:

- A. Effective dates. Assignment may be extended on mutual agreement, ended at the employer's discretion, or ended by the employee with fourteen (14) working days' notice.
- B. Summary of duties.
- C. Compensation (either the minimum payment or higher amount).
- D. Employee continues to accrue seniority and benefits under the collective bargaining agreement and continues to be covered under the agreement.
- E. The Association continues to represent the employee.
- F. Assignment is at-will, not subject to the grievance procedure.

G. Employee will return to their prior position at the end of the interim assignment.

An assignment in an interim role does not constitute a reclassification and does not waive any probationary or trial period. An assignment to an interim role outside of the bargaining unit does not give rise to a claim that such work should be included in this bargaining unit. An interim assignment does not otherwise limit the University's or the Association's rights under this agreement.

## **ARTICLE 12**

### **PROMOTION/DEMOTION**

#### **PROMOTION**

-163 A "promotion" is defined as the movement of an Employee to a higher grade level. An Employee promoted one grade level shall receive a minimum salary increase of five (5%) percent or placed at the minimum rate for the new level--whichever is greater. An Employee promoted two (2) or more grade levels shall receive a minimum salary increase of ten (10%) percent or placed at the minimum rate for the new grade level--whichever is greater. The Employer is not prohibited from giving APSA Employees salary increases that exceed these minimums. The higher rate and any benefits shall begin on the effective date of the promotion.

#### **DEMOTION**

-164 A "demotion" is defined as the movement of an Employee to a lower grade level other than by reclassification. The pay rate of an Employee who is demoted will be reduced by five (5%) percent if the grade level is lowered one grade level and ten (10%) percent or more if the grade level is lowered two (2) or more grade levels. The Employer may make exceptions to this provision when deemed appropriate.

## **ARTICLE 13**

### **PROBATIONARY/TRIAL PERIOD**

#### **PROBATIONARY PERIOD**

-165 Employees shall serve a twelve (12) month probationary period beginning at the time of hire as a new Employee with the University, rehire to the University (if more than twelve (12) months after separation), or upon initial entry into the bargaining unit from other University employment. The Unit Employer-supervisor shall have the right to certify successful conclusion of the probationary period before the end of the twelve (12) months. The Association President shall be notified upon early certification of the early successful conclusion. For those rehired with twelve (12) months of separation, see Paragraph 178.

-166 Transfer to another bargaining unit position during the twelve-month (12) probationary period will not terminate the probationary period. The employee will complete the remainder of the probationary period in the new position. If the remaining probationary period is less than six (6) months when beginning in the new position, they will serve six (6) months in the trial period running concurrent with the probation period. During this time, the employer rights under the probationary period language supersede the rights under the trial period language.

-167 An interim written evaluation shall be prepared by the probationary Employee's supervisor, summarizing overall job performance, which shall be reviewed with the Employee. If a probationary Employee's performance is unsatisfactory, such fact shall be communicated to the Employee as soon as is practicable in order to give the Employee the opportunity, if possible, to improve their performance.

-168 The Association shall represent probationary Employees for the purposes of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment; however, no matter concerning the discipline, layoff or termination of a probationary Employee shall be subject to the grievance or arbitration procedures.

#### **WRITTEN EVALUATIONS**

-169 Employees may receive a performance evaluation prior to the completion of the probationary period and thereafter, at least on an annual basis.

-170 The Employer and the Association agree that members of the bargaining unit shall be subject to an appraisal process that is fair.

-171 The Employer and the Association believe that appraisal systems for supervisors at Michigan State University should be bilateral and continuing in nature.

-172 The objectives of the appraisal program are to:

- A. Enhance communications between an Employee and a supervisor. Dialogue between an Employee and supervisor should be continuous and include coaching, guiding, and clarification of job responsibilities in the context of larger organizational goals.
- B. Develop Employees. An Employee's development may be related to either current or future positions and should be continuous to ensure that the University is able to respond to its quickly-changing environment.
- C. Support continuous quality improvement throughout the organization.

#### **TRIAL PERIOD**

-173 An Employee who changes position within the bargaining unit by selection process, or a result of bypass, or who re-enters the bargaining unit from other University employment, other than by the reclassification procedure, shall serve a six (6) month trial period, which trial period may be extended by the Employer for an additional six (6) months upon providing to the Employee written notice with reasons, with copy to the Association not less than thirty (30) calendar days prior to the completion of the original six (6) month trial period. The determination to extend the six (6) month trial period for an additional six (6) months shall not be grievable.

-174 In the event the trial period is unsatisfactory or the Employee does not wish to continue in the position. The Employer may place the Employee in their former position. The Employee's failure to accept placement in their former position will be considered a voluntary resignation from the University. If the Employer does not place the Employee in their former position or there is no position to be placed in, the Employee will be given mandatory bypass interview rights.

**ARTICLE 14**

**SENIORITY**

**DEFINITION**

-175 Seniority is defined as the length of continuous employment, except as provided below, starting with the original date of hire with the University. Except as otherwise provided in this agreement, periods of authorized leaves of absence do not cause loss of seniority.

**LOSS OF SENIORITY**

-176 Seniority rights are relinquished by the Employee for the following reasons:

- A. Voluntary resignation
- B. Retirement
- C. Termination for just cause
- D. Failure to accept recall from layoff provided the position offered was at a comparable compensation grade level to provide the Employee eighty (80%) percent or more of their salary earned at the time of layoff.
- E. Failure to return from leave of absence
- F. Failure to be recalled from layoff based on the following:

**University Seniority**

0 to 3 years  
More than 3 years

**Recall Rights**

Length of University Seniority  
3 years

- G. The recall rights set forth in this subparagraph are tolled for Employees who accept and occupy an off-date position during the recall period.

-177 Employees will receive service month credit for part-time service to qualify for retirement benefits.

-178 Employees returning to employment with the University within twelve (12) months of termination from University employment shall receive credit for all past seniority upon successful completion of a six (6) month trial period. Failure of this trial period will result in the termination of employment as the Employee has not regained seniority rights.

## **ARTICLE 15**

### **OFFICIAL PERSONNEL FOLDER(S)**

#### **RIGHT TO EXAMINE**

-179 Each Employee shall have the right, upon request, to examine the content of their own Official Personnel Record, or portions thereof, as provided by Michigan law.

#### **PROCEDURE**

-180 The Employee shall make an appointment with the responsible managerial personnel to examine their Official Personnel Record, or portions thereof. Managerial personnel shall be present when the Employee examines their Official Personnel Record, or portions thereof and the Employee may be accompanied by a representative of the Association if the Employee so desires. The Employee may designate in writing their desire to have a representative of the Association examine their record in their absence in a disciplinary matter, and the designated representative shall be allowed to examine the Official Record, or portions thereof.

-181 Employees have a right upon request to see the information out of their records that a "hiring manager" would be allowed to see if they requested to review the Employee's personnel file. To request such a review, the Employee should contact MSU Human Resources with a written or emailed request to do a "hiring manager review" of contents from their Personnel Record. This section does not restrict an Employee's rights to access other desired information as allowed under the Bullard-Plawecki Act or FOIA but is intended to allow Employees to ascertain what information from their Personnel Records is accessible to hiring managers during pre-offer file reviews.

#### **NOTICE AND EMPLOYEE STATEMENTS**

-182 The Employee has the right to submit a statement(s) concerning negative evaluative reports for inclusion in the Official Personnel Record(s). Brief statements may be submitted for inclusion in the Employee's Official Personnel Record(s).

#### **PAST DISCIPLINARY ACTION**

-183 Upon an Employee's written request to MSU Human Resources, any records of disciplinary action which occurred more than eighteen (18) months prior to the request shall be removed from the Official Personnel Record(s), if the Employee's performance has been satisfactory within the past eighteen (18) months except as required by Title VII, Title IX and other state or federal civil rights law. The time frame in the previous sentence shall be six (6) years in cases of discipline arising from violations of the University Policy on Relationship Violence and Sexual Misconduct and Title IX Policy and/or the Anti-Discrimination Policy. This section may not be used to remove performance evaluations from the Official Personnel Record(s).

## **PAST COUNSELING MEMORANDUMS**

-184 Upon an Employee's written request formal counseling memoranda which occurred more than eighteen (18) months prior to the request, shall be removed from the Official Personnel Record(s) if the Employee's performance has been satisfactory within the past eighteen (18) months except as required by Title VII, Title IX and other state or federal civil rights laws. This section may not be used to remove performance evaluations from the Official Personnel Record(s). The time frame in the previous sentence shall be six (6) years in cases of counseling arising from violations of the University Policy on Relationship Violence and Sexual Misconduct Title IX Policy and/or the Anti-Discrimination Policy.

## **ARTICLE 16**

### **ABSENCES**

#### **PROCEDURE**

-185 When absent from work, the Employee must make every effort to notify their supervisor of the reason prior to the beginning of a scheduled workday. If the absence is to continue beyond the first day, the Employee must notify their supervisor on a daily basis unless otherwise arranged and specifically approved by their supervisor. Failure to comply with this provision for three (3) consecutive workdays will be cause for termination except for extenuating circumstances acceptable to the Employer.

## **ARTICLE 17**

### **LEAVES OF ABSENCE**

#### **ABSENCES WITHOUT PAY [TEN (10) DAYS OR LESS]**

-186 Excused absences without pay less than ten (10) days may be granted by the immediate supervisor but shall not exceed ten (10) consecutive days unless approved as a leave of absence. Normally excused absences without pay will not exceed ten (10) working days in each fiscal year.

-187 Excused absences without pay will not require the use of accrued paid time (excluding sick time).

#### **ABSENCES WITHOUT PAY INCLUDING LAYOFF [EXCEEDING TEN (10) DAYS]**

-188 Non-medical leaves of absence must be approved by the supervisor, administrative head of the unit and MSU Human Resources. Medical leaves or absence shall require a notification to the Employee's immediate supervisor, but shall be submitted to, and shall be subject to the approval of, MSU Human Resources. They may be taken for reasons as specified below.

-189 During an unpaid leave of absence or layoff, an Employee will not accrue vacation or sick leave nor be eligible for any payments for time off work provided by this Agreement (except excused absences without pay).

-190 Unless otherwise specifically provided for by this Agreement, seniority shall accumulate during leaves of absence or extensions and layoffs.

-191 The Employee must consult with MSU Human Resources about maintaining status in Employee benefit programs during leaves of absence without pay subject to and consistent with these program conditions.

## **USAGE**

-192 With the approval of their supervisor(s) and/or MSU Human Resources, eligible employees may be authorized to take an unpaid leave for up to two (2) years for the following:

- A. Sickness and disability.
- B. Settlement of an estate.
- C. Serious illness of a member of the Employee's family as defined under the funeral leave provisions of this Agreement.
- D. Childcare when the Employee is the parent or designated guardian.
  - 1. Parent or guardian must provide evidence that the child needs special care.
  - 2. Evidence demonstrating that only the parent or guardian can deliver this special care.
  - 3. Such special care would require absence from work.
- E. Governmental service, if elected to a full-time term of office and if holding an elective office. Subsequent elections shall extend to this leave.
- F. Educational leave after two (2) years of employment.
- G. To accompany spouse when spouse accepts University reassignment from MSU.

- I. Employees who become parents of or who adopt a child shall be entitled to parental or adoption leave of up to three (3) months, with job return rights, to commence on or before the date of birth or the date of adoption as determined by the Employee. This provision shall only apply to employees who do not qualify for paid parental leave as provided through the letter of agreement between the parties.
- J. Other reasons deemed appropriate by the Employer.

-193 The Employer, at its option and without cost to the Employee, may require that a designated physician(s) examine the Employee before returning the Employee to active employment.

-194 During an involuntary leave of absence without pay, the Employee's position shall not be considered vacant and the Employee shall be entitled to return to the position if such return is within ninety (90) days of the commencement of the leave. An involuntary leave is defined as a leave required because of illness or incapacitation - medically certified.

#### **EDUCATIONAL LEAVE OF ABSENCE FOR VETERANS**

-195 Employees who are reinstated in accordance with the Universal Military Training act, as amended, and other applicable laws and regulations, will be granted leaves of absence for a period equal to their seniority, but not to exceed two (2) years (without pay) in order to attend school full-time under applicable federal laws in effect on the date of this Agreement.

-196 An Employee who fails to notify the Employer of their intent to return to work within thirty (30) calendar days of the expiration of a leave of absence in excess of one (1) year duration, will be given written notice by the Employer within twenty-one (21) calendar days prior to the expiration of said leave that the leave of absence will end twenty-one (21) days thereafter.

-197 Upon application, a military leave of absence (without pay) will be granted to Employees who are employed in other than temporary positions. Attainment of the one hundred twenty-five (125%) percent level will be achieved in increments of three (3%) percent up to the one hundred twenty-five (125%) percent level. Employees will not receive progression increases if they have less than a satisfactory overall rating on the latest Employee evaluation. -207 In health care delivery facilities where biweekly work schedules of eighty (80) hours are maintained, overtime pay or compensatory time off will be given for any scheduled hours worked in excess of eighty (80) hours in a biweekly period.

-208 All holiday hours paid will be considered as time worked for the purpose of overtime computation. If an Employee has an unexcused absence on either their regularly scheduled working day immediately preceding or their regularly scheduled working day immediately following the holiday, the holiday hours will not be considered time worked for the purposes of overtime. Overtime premium shall not be pyramided, compounded or paid twice for the same time worked.

Approval means time worked as directed by the Employee's supervisor and does not include casual or unscheduled time spent at work beyond the normal workday or workweek.

-210 Employees at grade level APSA 12 and above are not eligible for overtime pay. However, where unusual staffing and work requirements exist, the Unit Administrator may approve compensatory time off not to exceed the number of overtime hours worked. \*

Six (6) years or more of continuous service as of October 1 of the longevity year is required for eligibility.

-213 Eligible Employees who have periods of inactive service totaling ninety-three (93) days or more during a longevity year will not receive a longevity payment that year and will have the longevity date adjusted for future years.

-214 Military leave of absence will not adjust the longevity date.

-215 Full-time Employees who terminate prior to October 1 who are sixty-five (65) years of age and have five (5) or more years of full-time service, or who meet the minimum University retirement requirements will receive a prorated longevity payment.

-216 Employees who are not on the active payroll due to layoff, but who otherwise meet the eligibility criteria, will receive a longevity payment.

-217 Employees who are on leave of absence on October 1, but otherwise meet the eligibility criteria, will receive a longevity payment upon return to work. Payment is scheduled annually on the first working day of December and is computed as a percentage of the Employee's annual base rate of pay as of September 1 of the calendar year in which the longevity payment is made. Base rate of pay shall not include overtime or premium pay.

-218 If an Employee is not on the payroll September 1, the rate to be used is the Employee's rate of pay upon their return. Longevity pay shall not exceed the longevity pay schedule.

### HEALTH BENEFITS

#### HEALTH CARE COVERAGE

-224 New Employees – and Employees newly appointed to an eligible status – have thirty (30) days from the date of appointment to enroll. If enrollment does not occur within thirty (30) days, the Employee must wait until the next annual enrollment period.

-225 Health care is subject to the January 1, 2022 – December 31, 2025 Memorandum of Understanding between Michigan State University and the MSU Coalition of Labor Organizations (MSU/Coalition Memorandum) separately ratified and signed by the Administrative Professional Supervisors Association. A summary of benefits can be found on the MSU Human Resource website. In the event the parties to the Health Care Memorandum of Understanding are unable to reach an agreement, either the Association or the Employer may demand to bargain individually regarding health benefits coverage upon expiration of the January 1, 2022 – December 31, 2025 Memorandum of Understanding.

A. Prescription Drug.

3. The appropriate premiums for the prescription drug program shall be paid by the University for full-time Employees and proportionately for part-time Employees.

B. Base and optional programs. Subject to the MSU/Coalition Memorandum, the PPO and HMO shall continue to be offered to Employees. The University's contribution toward the cost of either program shall be the amount of the program having the lower rates in each plan year. This will be known as the base plan. In each of the aforementioned plan years, the cost of the base plan shall be borne in accordance with the 2022-2025 MSU/Coalition Memorandum by the University for full-time Employees and proportionately for part-time Employees. Orthodontic services are covered for persons under age nineteen (19) and are limited to a separate lifetime maximum of Six Hundred Dollars (\$600.00). Under the current provisions, the University pays the entire cost of the plan for full-time Employees, with a proportional contribution for part-time Employees.

-230 Coverage for the DMO must be provided through one of their participating centers. Some benefits, such as diagnostic, preventive and minor restorations are no cost to the Employee and other benefits are provided with a fixed dollar copay. Orthodontic services are covered for under age nineteen (19) and over age nineteen (19) with a fixed dollar copay.

-231 Dependent coverage terminates as above. In addition, certain changes in dependent status will terminate coverage for dependents. No conversion is possible for either of the dental plans.

-232 Regular Employees will have the option to select a managed dental care plan. Information about the plan is available through MSU Human Resources. The Employer's cost for the managed care dental plan shall be no greater than the traditional dental plan cost. Should the managed care dental plan cost more than the traditional plan, the Employee shall pay all additional costs.

## **EMPLOYEE ASSISTANCE PROGRAM**

Part-time Employees will be paid the difference in pay between the total military duty pay received and the Employee's base pay for the total hours scheduled to work but not worked because of the military duty, if the military duty pay is less. An approved leave of absence for military service will not be counted as a break in the Employee's service record when determining their vacation allowance under the vacation plan, or any other benefits that are provided based on months of employment with the University.

-334 If non-credit courses are taken during the same academic year as credit courses, the total reimbursement and/or waiver will not exceed ninety percent (90%) of the MSU undergraduate maximum tuition rate for up to fourteen (14) credit hours.

-335 Employees must document their successful completion of non-credit courses by submitting either (1) a certificate from the course signed by the instructor, or (2) a form provided by MSU Human Resources signed by the instructor.

#### **COURSE FEE COURTESY POLICY**

-336 It is understood by both parties to this Agreement that the Course Fee Courtesy Policy herein described, shall be identical in all respects, except for the time period for eligibility as described below, to the Course Fee Courtesy Policy in effect for MSU faculty as approved by the MSU Board of Trustees.

-337 Any changes or improvements to the faculty program shall be parallel at the same time in the Administrative Professional Supervisory program.

#### **COURSE FEE COURTESY PROGRAM**

-338 Dependent children and spouses/other eligible individuals of regular full-time Employees who have been continuously employed by MSU for a period of sixty (60) full-time equivalent service months, and who are employed prior to the second week of a semester or summer session will be entitled to a course fee courtesy. The course fee courtesy consists of the credit of one-half (1/2) of the applicable resident undergraduate course fees.

-339 Dependent children shall be defined as (a) all legally dependent children of eligible staff; and (b) such children who have eligible staff as their legal guardians.

-340 Dependent spouse/other eligible individual shall be defined as the legally recognized spouse of a staff member.

-341 Course fees shall be defined as the amount associated with credit hour enrollment and shall not include the registration fee or such fees, taxes and charges as may be collected for third parties.

-342 The course fee courtesy will be granted through the semester in which the 120th credit is attempted provided the dependent child or spouse is registered as a student in good academic standing at Michigan State University in a curriculum leading to the first baccalaureate degree or to a certificate in the Agricultural Technology program. For undergraduate students with transferable credits, the course fee courtesy is granted through the semester in which the combination of transferable credits and Michigan State University credits attempted equals 120. The course fee courtesy is available only to students enrolled through the on-campus registration process.

-343 The course fee courtesy for dependent children and spouses will be discontinued at the conclusion of the semester or summer session at which the employment of the eligible staff member is terminated. If the dependent child or spouse is enrolled at the time of the eligible staff member's retirement in accordance with the Michigan State University retirement policy, commencement of University long term disability, or death, the course fee courtesy will continue in accordance with the provision contained above.

-344 If the dependent child or spouse/other eligible individual drops courses or withdraws from school during the refund period, any refund applicable to the course fee courtesy will revert to the University.

-345 Dependent children and spouses of eligible staff on approved leave of absence will be eligible for the course fee courtesy.

-346 The dependent children and spouse/same sex domestic partner of eligible staff members who retire in accordance with Michigan State University's retirement policy will be eligible for the course fee courtesy as long as they meet the other eligibility requirements of the course fee courtesy policy.

-347 This program also covers the surviving dependent children and spouses of eligible staff and retirees.

-348 Application may be made for the entire undergraduate degree (120 credits attempted), unless the student leaves the University and readmission as a student is required.

-349 Student eligibility is based upon the following criteria:

- A. Student applicants must be admitted or readmitted to Michigan State University in accordance with the normal requirements for admission or readmission.
- B. The student must be enrolled in Agricultural Technology or a degree granting program leading to a first baccalaureate degree (No Preference students are eligible).
- C. Credits attempted must total less than 120. Credits attempted will be calculated by adding to the student's total credits earned (which includes transfer credits, P

grades and CR grades) the total of credits for repeated courses and/or for courses in which the student received Deferred, Incomplete, N, No Credit and O. O.

-350 As a scholarship award the Course Fee Courtesy will be considered in determining eligibility for additional financial assistance for those students who also apply for financial aid at Michigan State University. All eligible student applicants will receive the Course Fee Courtesy. However, if other forms of financial aid have been awarded to attend Michigan State University, the aid will be adjusted to reflect the Course Fee Courtesy. Depending on the types of awarded aid as well as when the Office of Financial Aids is informed of eligibility for the Course Fee Courtesy, the adjustment may be made to awarded grants, loan or work eligibility according to the guidelines of the Office of Financial Aid and the student shall be so informed.

-351 Eligibility for other tuition-specific awards (such as the Michigan Competitive Scholarship, Kodak Scholarship or Engineering Cooperative Award) will reduce the Course Fee Courtesy award so that the awards in combination will not exceed assessed tuition.

-352 If the student drops courses or withdraws from school during the refund period, any refund applicable to the Course Fee Courtesy will revert to the University.

-353 Course fees covered through the Course Fee Courtesy Program will be limited to courses published in the Schedule of Courses and its supplements.

### RETIREMENT BENEFITS

-356 The University provides a contributory 403(b) Base Retirement Program for regular staff working half-time or more. It is part of the MSU 403(b) Retirement Plan, which is a defined contribution plan operated under section 403(b) of the Internal Revenue Code. The benefit provides income during retirement and benefit payments in the event of death prior to retirement. Contributions from the Employee and the University are paid into an individual contract between the Employee and the eligible vendor.

-357 Employees hired prior to July 1, 2010 and meeting the minimum retirement requirements will remain eligible to maintain group dental and health plans and receive the Employer's proportional contribution (see "FTE Service Months" language). Retirees are required to enroll in both Parts A and B of Medicare, and pay the required premium when eligible. University coverage will become supplemental to Medicare.

### CONTRIBUTIONS

-358 Employee contributions are five (5%) percent and University contributions are ten (10%) percent of the Employee's base salary or wage and any overtime.

-359 The University's contribution is made on a tax-deferral basis, i. e. , the Employee does not report the University contribution as earned income when filing income tax returns for the calendar year. After retirement, the Employee does pay taxes on the amounts received.

-360 An additional portion of the Employee's salary may be contributed to the MSU 403(b) Supplemental Retirement Program and/or MSU 457(b) Deferred Compensation Plan by the Employee on a tax-deferred basis, through payroll deduction, subject to Internal Revenue Service limitations.

-361 Regular Employees are eligible for participation in the MSU 403(b) Base Retirement Program in accordance with the following policies:

- A. The program is optional to Employees at the time of employment or who are over age sixty-two (62) at the time of employment.
- B. The program is required as a condition of employment for Employees who have attained the age of thirty-five (35).
- C. Once required participation commences, the Employee must continue contributing to the MSU 403(b) Base Retirement Program while employed at the University.

## **OTHER RETIREMENT INFORMATION**

-362 Additional MSU 403(b) Retirement Plan Contribution for Employees hired on or after July 1, 2010.

-363 For regular Employees hired on or after July 1, 2010, the Employer will make additional contributions to the MSU 403(b) Retirement Plan as set forth below.

Effective January 1, 2016, for benefits eligible Employees whose most recent hire date is on or after July 1, 2010 the University will, upon hire, contribute 0.5 % (one-half percent) of the Employee's retirement eligible earnings into a separate Employer contribution account within the MSU 403(b) Retirement Plan on a pay period basis until one hundred twenty (120) vacation service months are reached; after one hundred twenty (120) vacation service months the University's contribution increases to 0.75% per pay period (three-quarter percent) of retirement eligible earnings.

- A. MSU's contributions will be deposited into a default investment fund initially at an MSU designated retirement vendor; the Employee can redirect to fund(s) of their choice by selecting from core options available in the 403(b) Retirement Plan including the brokerage accounts. Additional information on the default and optional investments is available at MSU Human Resources Website.
- B. The accumulated account balance will become 100% vested immediately.

-364 Retiree Access to MSU Health Care and Dental Plan

For Employees hired on or after July 1, 2010, upon official retirement from MSU (age 62 with at least 15 years of service credit or 25 years of service credit at any age), an official retiree may then enroll (or continue enrollment) in the health care and dental plan coverage available to MSU retirees at the Employee's expense. Enrollment in MSU health care and dental plan coverage may be continued for any eligible spouse, Other Eligible Individual and/or dependent(s) if the official MSU retiree pays the full applicable premium cost for the coverage.

-365 Other Provisions

- A. Continuous service months are calculated as the period beginning at the date of active employment. The Employee must be actively employed for each month.
- B. Periods of inactive service will adjust the calculation for reaching the continuous service requirement.

## ARTICLE 24

### WORKERS' COMPENSATION AND DISABILITY

#### WORKERS' COMPENSATION

-366 A regular full-time Employee with ninety (90) days of continuous service who suffers injury compensable under the Workers' Compensation Act shall continue to receive their regular rate for time lost during the first seven (7) days not covered by the Workers' Compensation Act, provided they follow the instructions of the University physician, and provided they return to work not later than the time recommended by the University physician. In the event of dispute, the medical dispute clause of this Agreement shall apply as regards the settlement of such dispute. Following the first seven (7) days, such seniority Employee shall be paid the difference between their regular wages and payment received under provisions of the Act, to be deducted from accumulated sick leave until their sick leave is exhausted.

-367 Employees who have exhausted their sick leave credits, but are still unable to return to work, may as an option continue to receive their pay against any unused vacation, personal observance days, compensatory time and personal leave credits.

#### WORKERS' COMPENSATION (LONG TERM)

-368 An Employee who is receiving regular Workers' Compensation for a period in excess of six (6) months shall receive, at the Employer's expense, Employee-paid life and health care coverage for the period covered by Workers' Compensation. If it is determined by the Benefits Office that the injured Employee will be off work in excess of six (6) months, the above benefit may be implemented upon such determination without requiring premium payments from the affected Employee.

#### EXTENDED DISABILITY LEAVE

-369 The University provides an interim income protection plan for regular full-time staff with at least sixty (60) continuous FTE service months and who are expected to receive long term disability benefits. The benefit provides full pay as defined in the long term disability master contract, for a period of up to one hundred eighty (180) days from the Employee's last day of active work. The benefit commences upon the expiration of all accrued sick, vacation, and personal leave.

-370 Determination of whether a case is expected to result in total disability can sometimes be made by the University designated physician based on information received from the Employee's physician and other medical reports. A lack of conclusive medical evidence may delay approval of the extended disability leave on a retroactive basis. In these cases, it is necessary for the

Employee to maintain benefit payments. Reimbursement will be made for University contribution amounts upon approval for Extended Disability Leave.

-371 Employees expected to return to work within one hundred eighty (180) days will not qualify for this benefit. Authorization to pay extended disability leave benefits will be made by the Benefits Office. The University pays the cost of the benefit. No application is necessary for enrollment. The benefit becomes effective upon completion of sixty (60) full-time equivalent service months. The benefit terminates on the last day of employment. Conversion of coverage is not possible.

-372 The Association acknowledges that an Employee may enter into repayment agreement with the University requiring the Employee to repay the University all Extended Disability Leave benefits paid if the Employee does not receive Long-Term Disability benefits. Such agreements shall include a statement that Employee, at their option, may consult with Association or other representative prior to signing this Agreement.

#### **LONG TERM DISABILITY PLAN**

-373 The University provides income protection through the long term disability plan for regular full-time staff.

-374 The benefit is payable to Employees who become totally disabled as defined in the LTD master contract and are unable to work due to sickness or bodily injury. In addition, the University makes the regular contribution for health care coverage and pays the complete cost for dental and the Employee-paid life plan.

-375 The University pays the entire cost of the LTD benefit. Coverage is automatic and becomes effective the first day of the month following or coinciding with completion of twelve (12) full-time equivalent service months. Long term disability coverage will terminate on the Employee's last day of active employment.

### SPECIAL PROVISIONS

-376 The following special provisions apply only to Employees classified as Sergeants and Lieutenants employed by the Department of Police and Public Safety at Michigan State University except where limited below. Where these special provisions are in conflict with the other general provisions of this Agreement, these special provisions shall take precedence.

#### SCHEDULING

-377 Definition

Because Employees are required to work regardless of calendar weekends, i. e. , Saturdays and Sundays, the Employer schedules days off in lieu thereof and refers to those days as "Pass Days. "

-378 Scheduling

The use of Pass Days, pursuant to Article 25, Paragraphs 384, 385, 386 may be requested and may be taken subject to management direction or approval.

-380 Schedule Deviation Applies to Sergeants and Patrol Lieutenants

-381 Changing

Employees covered hereby, may change a pass day after the schedule has been posted, if they receive permission from the supervisor(s) of the shift(s) involved.

Individual Shifts

Employees may trade individual shifts with another Employee of equal rank, subject to

the approval of management, providing the change does not cause the payment of overtime. Management approval shall not be unreasonably withheld.

### Shift Cycles

Employees may trade shift cycles with another Employee of equal rank, subject to the approval of management, providing the change does not cause the payment of overtime. Management approval shall not be unreasonably withheld.

Notice of the requested trade must be submitted by the affected Employees at least 28 days in advance of the effective date of the shift cycle affected by the trade. The duration of the trade will be for the entire shift period. Disputes arising under this provision shall be reduced to a grievance beginning at Step 1 of the grievance procedure. If a Step 2 meeting is thereafter required, the Office of Employee Relations will respond to the grievance at this meeting. The Association will decide whether to arbitrate the dispute and the parties will select the arbitrator the same day. The dispute shall be submitted to immediate expedited binding arbitration with a bench decision being rendered by the arbitrator the same day of the arbitration hearing.

### **ON-CALL**

-383 The term "on-call" means that situation where an off-duty Employee is officially advised by a designated representative that they should be prepared to return to duty. The Employee being so informed shall then remain at home, or at a location no further from their home to the station and which is made known to the department, and be in full control of their faculties if ordered to return to duty. The on-call status will be terminated by a return telephone call to the individuals placed on call. Employees who are placed on an on-call status shall be credited at the rate of one-half (1/2) hour compensatory time for each hour or portion of an hour they remain on the on-call status. On-call compensations shall not apply to those Employees assigned to task forces and/or investigations.

A normal work cycle for regular Employees, not including Employees with an active K-9, shall consist of three consecutive (3) twenty-eight (28) day cycles. During two of these consecutive twenty-eight (28) day cycles, an Employee will be required to work thirteen (13), twelve (12) hour days with fifteen (15) days as designated pay days. The remaining twenty-eight (28) day cycle, the Employee will be required to work fourteen (14) days, with 14 days as designated pass days.

-385 The cycle where the Employee will work 14 days instead of 13 days, will be the right of Management to determine. A Patrol Sergeant or Patrol Lieutenant will only be required to work one (1) cycle of 14 days in a three (3) twenty-eight (28) day cycle.

-386 Patrol Sergeants and Patrol Lieutenants assigned to the K-9 unit who require two (2) training days during each twenty-eight (28) day cycle, will be required to work twelve (12) shifts consisting of twelve (12) continuous hours, and two (2) shifts of eight (8) continuous hours. The two (2) designated eight (8) hour shifts are for training purposes. There will be no less than two pass days granted consecutively unless requested by the Employee and approved by the Employer.

-392 Training Days – Training days are normally scheduled on an eight (8) hour day basis. Both parties recognize that an Employee may need to finish their duty day on shift after their eight-hour training ends at eight (8) hours. (This will most likely occur when training is scheduled at the Department of Police and Public Safety. ) If an Employee is scheduled for a training day, the Employee may be allowed, upon Management approval, to offset the time lost by:

- A. Using accumulated time such as, comp time, vacation, personal, exclusive of sick leave, for each of the scheduled training days, or:
- B. Use one (1) less leave day for the work cycle if training consists of three (3) or 8-hour days in a 28-day cycle.

-420. The position of Community Director will be included under the terms of the CBA, with the following exceptions:

- a. The "Residence Education and Housing Services Community Director Agreement" shall remain in use and have full effect, except as directly contradicted by the terms of the Collective Bargaining Agreement and as otherwise provided herein. The Residence Education and Housing Services Community Director Agreement shall continue to be used, as updated and with information applicable to individual employees. The Union will be given notice of revisions to the "Residence Education and Housing Services Community Director Agreement," and the University will bargain, following a demand from the Union, concerning any mandatory topics of bargaining in the Residence Education and Housing Services Community Director Agreement.
- b. Scheduling of work shall be as provided in the Residence Education and Housing Services Community Director Agreement, rather than the Collective Bargaining Agreement. Community Directors will receive any pay/benefits pursuant to Holidays, paragraph 258 of the collective bargaining agreement.
- c. The following shall apply to Article 7, Settlement of Disputes, Arbitrator's Powers:

The arbitrator shall have no power to change any decision by the University concerning the provision of housing or a meal plan to an employee in the position of Community Director, or to any guest or other person associated with the Community Director. In the event of a termination of employment, the arbitrator will have authority to order the University to pay the pro rata share of the cost of University housing and meal plan based on the time remaining in the Community Directors annual off-date appointment.
- d. The Community Director position shall not be included in the layoff/bypass process. APSA members on layoff shall not be able to bypass into any Community Director position.
- e. The University shall be able to designate the Community Director position, or any individuals in that position, as an off-date position.
- f. The position shall be included in the terms of Association Security as soon as practicable given the need to make programing and systems changes.

- 2) Compensation – Effective as soon as practicable, the University will create a new, FLSA-exempt salary level 88, with a minimum salary of \$49,263. 37, exclusive of housing and food. This will increase each year with the general increase pursuant to the CLO Memorandum of Understanding.
- 3) Automatic Progress Level (APL) and progression increases, shall not apply to the Community Director position. In place of APL and progression increases, the University will make lump-sum payments in July of each year to those Community Directors who are on an annual off-date appointment and who receive another consecutive off-date appointment as a Community Director. The lump-sum payments shall be in the following amounts:
  - a. \$750 for the first renewal;
  - b. \$1,000 for the second renewal;
  - c. \$1,250 for the third renewal and
  - d. \$1,500 for the fourth renewal.

These payments shall not be included in the base salary, nor shall the University make contributions to any retirement plan based on these lump-sum payments.

#### 4) Notices

- a. By April 1 of each year, Community Directors must give the University notice of their desire to return to the Community Director position for the following year. Absent such notice, the University shall be entitled to conclude the employee will not be returning to the position for the following year.
- b. By May 15 of each year, the University will provide notice of its intent to offer another appointment as a Community Director to any employee who indicated a desire to return as a Community Director. The University's failure to give this notice will require the University to continue the employee for forty-five (45) calendar days after the time when the notice is given. For example, if notice is not given until June 1, the employee would be continued in the position until July 15. The University's failure to provide notice will not result in an automatic renewal of the agreement.

**LETTER OF AGREEMENT  
BETWEEN  
MICHIGAN STATE UNIVERSITY, THE EMPLOYER,  
AND  
MICHIGAN STATE UNIVERSITY ADMINISTRATIVE-PROFESSIONAL

- Have been continuously employed with Michigan State University on a full-time basis, for at least 24 consecutive months prior to commencement of the leave.
- Have worked at least 1,250 hours during the 12 consecutive months immediately preceding the date the leave would begin.
- Be a full-time regular employee (part-time, temporary employees and on call are not eligible for this benefit).
- Meet one of the following:

  - Be the parent of a child under the age of 18, that is newly added to the household through adoption, legal guardianship, or foster care child; or
- This policy applies to a child that is newly added to the household through adoption, guardianship or foster care and not a child who is already a member of the household.
- An Employee will not receive more than six (6) weeks of paid parental leave in any twelve-month period, regardless of whether more than one birth, adoption, guardianship or foster placement occurs.
- In situations where the University employs both parents of a newborn/adopted child as eligible support staff, each may have the stated amount of paid parental leave under this policy. Parents employed in the same department or unit should plan the timing of their leaves in consultation with the chairperson, director, manager, supervisor, or dean.

**General Information**

**Time Frame and Compensation:**

- Paid parental leave is compensated at 100 percent of the Employee's regular, base pay. Paid parental leave will be paid on regularly scheduled payroll dates.
- Paid parental leave is intended to be taken as a single, continuous block of time.

- Paid Parental leave shall be taken, and completed, within twelve (12) months of the qualifying event.
- Paid parental leave must be used upon commencement of the leave, or for birthing parents, at the time of the birth. Other applicable quotas may be applied, following the paid parental leave, prior to the leave of absence becoming unpaid.
- Upon termination of the individual's employment at Michigan State University, the Employee will not be paid for any unused paid parental leave for which they were eligible.

#### Coordination With Other Policies

- Paid parental leave taken under this policy will run concurrently with leave under the Family Medical Leave Act (FMLA); the time off will be counted toward the 12 weeks of available FMLA. All other requirements and provisions under the FMLA will apply. In no case will the total amount of leave whether paid or unpaid granted to the Employee under the FMLA exceed 12 weeks during the 12-month FMLA period. Please refer to the family and medical leave policy for further guidance on the FMLA.
- Upon a child's birth, the birthing parent must begin a qualifying medical leave of absence by using available paid parental leave. Once paid parental leave is exhausted, the birthing parent may then use sick quotas. If sick quotas are exhausted, it is optional to use vacation, personal, or personal observance quotas prior to becoming unpaid.
  - If the birthing parent is placed on a medical leave of absence before the child's birth, then the birthing parent must begin a qualifying medical leave of absence by using available sick quotas. If sick quotas are exhausted, it is optional to use vacation, personal, and/or personal observance quotas prior to becoming unpaid, if the birthing parent has not yet given birth.
    - If quotas are exhausted, and the parent has given birth, then paid parental leave must be exhausted before beginning unpaid leave of absence.
  - Per MSU's sick time policy, birthing parents could qualify for an additional four (4) weeks of maternity leave. Sick leave quotas may not be used to cover this time; the employee may use vacation, personal, personal observance, or unpaid time. Please see the support staff sick time policy for further details.
- Upon a child's birth, non-birthing parents, must begin their leave of absence by using paid parental leave. Once parental leave is exhausted, they may use family sick quotas. If family sick is exhausted, it is optional to use vacation, personal, and/or personal observance quotas, prior to becoming unpaid.
- Upon placement of a child via either adoption, guardianship, or foster care, parent must begin their leave of absence by using paid parental leave. Once parental leave is exhausted, they may use family sick, vacation, personal, and/or personal observance quotas, prior to becoming unpaid.
- Michigan State University will maintain all employer paid benefits for which employees are eligible during the paid parental leave period Employees will remain responsible for any employee premiums, contributions, or other required costs.

- If a University holiday occurs while the employee is on paid parental leave, such day will be charged to holiday pay; however, such holiday pay will not extend the total paid parental leave entitlement.
- An Employee who takes paid parental leave that does not qualify for FMLA leave will be afforded the same level of job protection for the period of time that the employee is on paid parental leave as if the employee were on FMLA-qualifying leave.

Return To Work:

- MSU Human Resources or the department may require an Employee to report periodically on their status and intent to return to work.
- An Employee needs to notify MSU Human Resources in writing of return-to-work date at least two business days in advance but does not need to provide a note from health care provider.

RE: Additional Pay for Non-Standard Schedules

It is recognized that the Facility for Rare Isotope Beams (FRIB) operates continuously most days of the year. While it has the sole authority to schedule employees, the FRIB wishes to attract and retain employees to schedules outside of standard daytime schedules and therefore compensates those with additional pay. As a result of discussions between the parties the following is hereby agreed:

1. Employees in the classifications FRIB Operations Accelerator Engineer II/III/S regularly scheduled to begin work on or after 3:00pm but before 11:00pm and on or after 11:00am but before 11:00pm during weekends shall receive an additional five percent (5%) pay per hour per date actually worked. This does not include someone regularly scheduled to begin work at another time that reports to work early or works past their regular ending time.
2. Employees in the classifications FRIB Operations Accelerator Engineer II/III/S regularly scheduled to work the shift beginning on or after 12:00am but before 8:00am shall receive an additional ten percent (10%) pay per date actually worked. This does not include someone regularly scheduled to begin work at another time that reports to work early or works past their regular ending time.
3. The additional pay will not be received during times of paid time off including but not limited to sick, vacation, compensatory time, funeral leave, etc.

Re: Drug Testing for Safety-Sensitive Positions

The Employer will develop a drug and alcohol testing program for those employed in safety-sensitive positions to include random, periodic, reasonable suspicion, post-accident testing at a minimum.

After development and prior to implementation, the Employer and the Association will discuss the final policy/program and will bargain over mandatory topics of bargaining on the policy/program, which differ from the draft presented to the association on 10/20/23.

The program will be implemented as needed and not necessarily across the University.
