Rule 1.30(b) of the Rules of Practice for the Eighth Judicial District Court charges the Chief Judge of the Eighth Judicial District Court with various responsibilities, including supervising the administrative business of the District Court, ensuring the quality and continuity of court services, supervising the court calendar, reassigning cases as convenience or necessity requires, assuring the court's duties are timely and orderly performed, and otherwise facilitating the business of the District Court. *See also* NRS 3.025.

The Eighth Judicial District Court formed a Homicide Team consisting of four district court judges by way of Administrative Order 17-05. The civil cases in Department 10 shall be reassigned to Department 3. Court Administration shall attach a list of the reassigned cases as an exhibit to this order.

1 With the above changes, beginning on September 8, 2020, the Homicide Team
