# **CHAPTER-I**

## **GIST OF SCHEME GUIDELINES**

### **INTRODUCTION**

National Horticulture Board (NHB) was set up by the Government of India in 1984 as an autonomous society under the Societies Registration Act 1860 with a mandate to promote integrated development of horticulture, to help in coordinating, stimulating and sustaining the production and processing of fruits and vegetables and to establish a sound infrastructure in the field of production, processing and marketing with a focus on post-harvest management and cold chain to reduce losses.

### **DEVELOPMENT OF COMMERCIAL HORTICULTURE THROUGH PRODUCTION AND POST-HARVEST MANAGEMENT**

#### **1. Objectives**

- To develop high quality horticultural farms in identified belts and make such areas vibrant with horticultural activity which in turn will act as hubs for developing commercial horticulture by adopting high-tech horticulture techniques;
- To develop post-harvest management infrastructure;
- To improve linkages between horticulture producers and marketers;
- To create integrated network for marketing of horticulture produce;
- To increase producer's share in consumer price;

#### **2. Components covered**

##### **A) Production related**

- High quality commercial horticulture crops
- Indigenous crops/ produce, herbs
- Aromatic plants
- Seed & Nursery
- Bio-technology, Tissue culture
- Bio-pesticides
- Organic Foods
- Establishment of Horti. Health clinics/laboratory
- Consultancy services
- Beekeeping

## **B) PHM/Primary Processing related**

- Grading/packing/washing/waxing/sorting/drying centres
- Pre-cooling unit/Cool Stores
- Reefer Van/Containers (with multi-chamber, multi-product facility)
- Specialised Transport Vehicle
- Retail outlets
- Auction platform
- Ripening/curing chamber
- Market yards/rope ways
- Radiation unit/Dehydration Unit/Vapour Heat Treatment Unit
- Primary processing of products fermentation, extraction, distillation, juice vending pulping, dressing, cutting, chopping etc.
- Horticulture ancillary industry e.g. tools, equipment's, plastics, packaging, etc.
- Plastic Crates, Cartons, Baskets, Aseptic Packaging & Nets (50% Subsidy).  
The subsidy @ 50% as per prescribed norms shall be available for crates and nets (shade and anti-hail only) as a part of integrated commercial projects only. However, assistance in case of CFB Cartons and Aseptic Packaging shall be available on merit for launching a new product during its first year and for introduction of such products in a given horticulture area, as a one time assistance.

## **3) Pattern of Assistance**

Back-ended capital investment subsidy @ not exceeding 20% of the total project cost with a maximum limit of Rs 25 lakh per project shall be provided under the scheme to these projects which are found technically and financially viable. However, for the North-Eastern/Tribal/hilly Areas, maximum limit of subsidy would be Rs 30.00 lakh per project.

The percentage of term loan should be at least 25% the project cost (as per appraisal of bank) where the project cost is up to Rs. 30.00 lakh and in case of proposal above Rs. 30.00 lakh, the term loan should be at least 40% of the project cost (as appraised by bank).

## **Cost of Application Form and Scheme Brochure:**

Cost of Application Form and Scheme Brochure will be charges as under:-

<b>Project cost</b>	<b>Cost of Application Form and Scheme Brochure</b>
Projects costing cost upto Rs 10.00 lakh	Rs 1000/-
Projects costing above Rs 10.00 lakh and below Rs 20.00 lakh	Rs 2000/-
Project costing above Rs 20.00 lakh and below Rs 50.00 lakh	Rs 5000/-
Projects costing above Rs 50.00 lakh	Rs 10000/-

\* cost of project will be as per cost proposed in LOI Application.

## **Eligible Organizations**

The eligible promoters under the above schemes shall include NGO's, Association of Growers, Individuals, Partnership/Proprietary Firms Companies, Corporations, Cooperatives, Agricultural Produce Marketing Committees, Marketing Boards/ Committees, Municipal Corporations/ Committees, Agro-Industries Corporations, SAU's and other concerned R&D organizations.

# **CHAPTER-II**

## **HO - Guidelines- LOI No. 1 /2009**

### **Making Application for a Letter of Intent under the scheme "Development of Commercial Horticulture through Production and Post Harvest Management"**

#### **1. Who can apply for getting Letter of Intent -**

A natural person, a group of individuals or a legal person (Partnership Firm, a Trust, Cooperative Society, a Society registered under Registration of Society Act, a company, self-help group) may apply for issue of LOI.

#### **Where to Apply for Issue of LOI-**

##### **A. Physical Application on Prescribed Format**

- (i) To respective State Office of NHB – upto the project cost of Rs 20.00 lakh.
- (ii) To NHB, HO, Gurgaon where the project cost is above Rs 20.00 lakh, however, a copy of application should also be sent to the respective state office of NHB.

##### **B. Online Submission of Application**

NHB has introduced a system for online filing of applications for Letter of Intent (LOI) on its website [www.nhb.gov.in](http://www.nhb.gov.in). The Homepage of the Website provides a link "*Apply Online and Track Status here*". This section contains information like how to apply, cost of application & payment options, checklist, etc. to help applicants to apply online. Applicant has following three options to pay the cost of application:-

- Demand Draft
- Electronic Transfer of funds in NHB's account
- Credit/Debit Card (VISA/Master)

Following is the structure for cost of application:-

<b>Cost of Application</b>	<b>Demand Draft and Electronic Transfer category</b>	<b>Credit or Debit Card (VISA/MASTER)</b>
For Projects having cost upto Rs 10.00 lakh	Rs 1,000/-	1025/- (additional Rs 25 are towards payment gateway transaction fee)
For Projects having cost > 20 lakh and upto Rs 50 lakh	Rs 2,000/-	Rs 2060/- (additional Rs 60 are towards payment

		gateway transaction fee)
For Projects having cost > 20 lakh and upto Rs 50 lakh	Rs 5,000/-	Rs 5125/- (additional Rs 125 are towards payment gateway transaction fee)
For Projects having cost > 50 lakh	Rs 10,000/-	Rs 10,250/- (additional Rs 250 are towards payment gateway transaction fee)

**In case, the payment option is Demand Draft or through Electronic Transfer in NHB's account, applicant will have to first get the demand draft prepared or transfer the funds in NHB's account, as DD/Electronic Transfer number is required to be given in the online application.** In this case, an applicant will be issued Temporary ID. Permanent LOI Code in case of electronic payment would be issued on receipt of funds in NHB's account and in the case demand draft on receipt of demand draft by the NHB.

In case applicant opts to pay cost of application through Credit or Debit Card, he is issued on the spot acknowledgement alongwith permanent LOI Code.

After filing online application, applicant should take print out of his online application form. He may take a print out in duplicate, retain one copy for his records and the second copy may be attached with the physical application alongwith other necessary documents. It is necessary for the applicants to fill up and submit the detailed application form **(Format-1)** apart from online application form.

## 2. How to establish Identity of Applicant-

- i. In cases of applicant being a natural person, his name, sex, age, occupation, father's / husband's name, permanent address, full postal address supported by self-attested passport size photograph of applicant affixed on application may normally suffice for establishing identity of natural person or group of individuals.
- ii. In cases the applicant is a statutory person, to know the applicant following details must be insisted upon-
  - a. Attested copy of Document of Registration of the applicant body/company.
  - b. Memorandum and Articles of Association of applicant body/company.
  - c. Board of Director's Resolution, duly passed and authorizing signatory of application to apply for bank loan, NHB subsidy and take all other related necessary steps in this regard. Signatory of the application must be described in the Board resolution with

- name, age, sex, designation / occupation, father's or husband's name, permanent address, postal address and his self attested photograph should be attached with the application form
- d. Applicant body's Board of Director's / Competent Body of Management's Resolution permitting or approving Investment proposal, taking of bank loan etc should also be enclosed.
  - e. A copy of applicant body's latest Audit-Report and Annual-Report

### **3. Title of the land and copy of record of right-**

The title of the piece of land on which the project is proposed to be set up should be in the name of applicant in the capacity of owner or lessee for minimum period of 10 years. However, for fruit orchards and plantation crops having longer gestation period the minimum period of lease should be 15 years. In case of land leased, lease deed it should be registered with the Authority like office of Sub-Registrar, etc. A latest copy of record of right showing this fact should be enclosed with the application. Mortgaged land shall not be treated at par with lease even if the credit institution might have considered so. Similarly, Power of Attorney given by owner of land in favour of applicant shall not qualify him for benefit under the scheme.

### **4. Documents to be enclosed along with application form-**

- a. Copy of record of right over the piece of project-land
- b. In case of lease of land for the project a certified copy of lease deed which should be registered at the time of submission of LOI application.
- c. Affidavit in enclosed format
- d. Prescribed cost of application form and scheme brochure
- e. Copy of last submitted income tax return, if any
- f. A copy of Project Report submitted to any FI/Bank with loan case, along with letter from FI/Bank that the loan case is under consideration of it
- g. Key map of the project land (free hand sketch) showing lay out of the project and land boundary features, source of irrigation water (if any), existing land use etc.
- h. In case of applicant being member of co-op society, partnership firm having similar activity, the NOC issued by such institution.
- i. In case the project includes component of primary processing of fruits & vegetables and any of the fruit product covered by FPO 1955 is to be manufactured, then NOC issued by Ministry of Food Processing Industries (MFPI) be submitted.

**5. Scrutiny Points for Application of LOI – Following scrutiny points are suggested and scrutiny are may add addition security point as per need of the case**

- i. Application is duly filled in all respect and signed on all pages and annexed with required/relevant papers/documents.
- ii. Identity and existence of Applicant should be confirmed from scrutiny of documents accompanying the application form.
- iii. Land area under project is either ownership / lease (Registered) hold right for prescribed number of years in the name of applicant and free from any burden such as mortgage to third party,
- iv. Crop / activity proposed is permissible under NHB scheme
- v. Full details of project land (Survey number / plot number, village or town / Tehsil, District and State must have been mentioned. Key map of project land enclosed with application shows irrigation water source (if needed), existing structure, proposed structure, plantation area. Key map may not be as per scale but it may be sketch for the purpose of getting idea of project land. Concerned AD and LOI scrutiny an authority should try to ascertain that beneficiary does not miss technically necessary infra components.
- vi. Crop, its variety, plant density, plant matrix its proposed area and source of planting material, is clearly shown. This detail should be looked into and suitable technical advice may be given to applicant. For this the indicative key-map of the project land should be referred to.
- vii. It should be ensured that the funding institution has valid existence; in case of doubt about any bank its Banking License issued by Reserve Bank of India may be referred to. In case funding is proposed by Credit Society then the funding Institution will be not only the concerned credit society but the Bank proper too which provides credit to the Society. In such cases, the proposal should be routed through the funding bank to NHB for consideration of subsidy and subsidy reserve fund a/c in the name of beneficiary shall be maintained at funding bank. Clarification, if needed may be sought from the NABARD/SLBC and District Registrar of Cooperative Societies, in case of doubt.
- viii. From the project report the means of finance should be checked to ensure that the project is not proposed to be funded by subsidy from two or more central schemes to avoid doubling of subsidy for the same project from two or more organizations. Similarly, the term loan component is not less than minimum prescribed limit.
- ix. The project details given in application form and in the project report conform to each other.
- x. In case of applicant being a company the same has enough authorized capital and reserves & surplus to provide required amount of equity. Unsecured loan should not be treated as equity.

- xi. Implementation schedule of the project should be properly examined to avoid LOI for old plantation, activities and components.
- xii. If the proposed primary processing unit produces items covered under definition of "Fruit Product" as defined under FPO 1955, then no objection certificate from MFPI be taken. NOC should be to the effect that same project component has neither been assisted by it nor is under consideration for assistance by MFPI and it has no objection to NHB granting assistance under its scheme.

## 6. Keeping Proper Record of Applications Received -

Particulars of applications for LOI must be recorded in a **Register of Applications for LOI** in chronological order. The **Register of Applications for LOI** must be properly bound and page numbered and attested by Assistant Director I/c of Area Office or by Additional Managing Director at the Head Office. This should also contain date of entry in on line software and unique LOI number generated by the software.

## 7. Deciding Application for Issue of LOI and Pre-LOI Inspection-

### a) Power to decide LOI Application-

**Area Office -** State Committee headed by concerned Area Officer.  
**Head Office -** IC/PAC.

However, in case of refer van/specialized transport vehicle, all the proposals shall be submitted to Head Office for consideration of LOI. No proposal of refer van/specialized transport vehicle will be dealt at State Office for LOI.

### b) Pre-LOI inspection-

Project shall be selected for pre-LOI inspection on sample basis as follows:-

Upto Rs 20.00 lakh (at Area Office)	5% by a Committee headed by Area Officer and comprising of representatives from SLBC, Deptt. of Horticulture (State Govt.), NABARD and Centre Incharge (as Member Secretary)
Projects costing between Rs 20 to 50 lakh (at Head Office)	10% by Managing Director in presence of any two officers of NHB not below the rank of Deputy Directors.
Project costing above Rs 50.00 lakh	100%
Refer van	100%

Short duration crop like Banana, Papaya, Strawberry, Gladiolus	On priority basis, if need be over and above prescribed percentage.
--	---

Note: Officer carrying out pre-LOI inspection should prepare key map of project land (free hand sketch) and show irrigation source (if any), existing civil structure, existing land use too. He may advice beneficiary about suitable modification i.e. crop, plant density, crop matrix, infrastructure canopy etc. and if beneficiary agree with such suggestions he may get application so modified. Any part of project, if already completed, the suitable description of the same be recommended.

### **Validity Period of LOI -**

- Validity (i) For a period of one year from the date of issue of LOI for sanction of term loan.
- (ii) The project should be completed within two years from the date of sanction of term loan. Project time over run should be suitably examined.
- (iii) Revalidation of LOI by the concerned Area Officer for a further period of one year on merit.

### **8. Important Instructions for the beneficiary -**

(Procedure for On-Line Application will be notified on NHB website after its commissioning)

- (i) LOI application with project cost up to Rs. 20.00 lakh may be sent to Center Incharge of the respective State as per address given at **Appendix-III**). Any change in address, Centre may notify on NHB website from time to time.
- (ii) LOI application with project outlay above Rs. 20.00 Lakh may be sent directly to Managing Director, National Horticulture Board, Plot No. 85, Sector 18, Institutional Area, Gurgaon - 122 015 (Haryana) with a copy to the concerned State Office of NHB.
- (iii) All relevant columns of the applications must be filled up and application should be duly signed by the beneficiary on each page.
- (iv) Over writing should be avoided. Over writing in all cases should be duly authenticated.
- (v) Applicant must attach all enclosures such as affidavit, proof of land records, detailed project report, bank term loan application form; self attested photographs etc., failing which the application will not be considered.

- (vi) The affidavit should be in the prescribed enclosed format only.
- (vii) The LOI will be revalidated by the Competent Authority only once on merit for a period of one year on application submitted by applicant/entrepreneur.
- (viii) Lease deed be duly registered with the competent Registration Authority.
- (ix) Applicant has to take prior approval from the Board before effecting change of project land, crop, area, bank, etc. in the proposal.**
- (x) Components of projects not included in project proposal submitted by entrepreneur and are not forming part of bank appraisal note is not eligible for NHB subsidy unless the same cannot be assessed at the time of submission of application or Bank Appraisal such as requirement of electric transformer etc.
- (xi) Some components like farm machinery, electric connection charges, Banana bunch cover, shed net, PHM infrastructure, security and storage facilities etc. which might not have been mentioned in LOI application but proof of whose purchase or construction for project can be secured beyond doubt, may be allowed within the over all cost norms of the project and the individual cost norms of the relevant component. Similarly, any gross error of judgment made about cost of any component of project within which the execution of component is not technically possible, then the same may be allowed to be improved up to minimum of normative cost, bank appraised cost, actual cost and JIT cost ensuring that the specification of component is up to minimum possible size.
- (xii) Components like shade net, mulch cover, stakes, plastic crates etc. which are eligible for subsidy as part of project only but are taken up at the time of production and harvesting should appear in project proposal for making them admissible for subsidy after bank loan has been received for the same at a appropriate later stage.
- (xiii) If applicant is a member of Co-op. Society or a partner in Partnership firm having similar activity funded by NHB, no objection certificate by Cooperative Society, Partnership Firm should be submitted with application form.
- (xiv) If applicant is one or few of joint owners of project land then NOC from others co-owners be submitted.
- (xv) Bank term loan should constitute following minimum prescribed portion of project cost, failing which project will not be eligible for subsidy under the scheme:-
  - a) Term loan should be 25% of project cost for the projects costing upto Rs 30.00 lakh.

- b) Term loan should be 40% of project cost for the projects costing more than Rs 30.00 lakh.
- (xvi) Key map of project land need not be "to the scale". It may be free hand sketch to show present land use, its boundary features, location of source of irrigation (if any), proposed land use pattern.
- (xvii) In case project includes item of 'Primary Processing' of fruits & vegetables, FPO license is required for running such primary processing unit under FPO 1955, then NOC from MFPI, Govt. of India should be enclosed to avoid duplication of scheme and subsidy. In case, such NOC is not submitted alongwith application of LOI, conditional LOI may be issued subject to its submission before undertaking the primary processing unit.
- (xviii) For change of crop in a project during the implementation, promoter should request for it to Bank/NHB prior to completion of project,. In case, Bank has reappraised with changed crop and modified the loan sanction letter and only prior approval of NHB has not been taken and the project is completed. Such cases should be processed with following conditions:
- a. Documentary Proof of purchase of changed planting material from nursery is produced.
  - b. Documentary proof that the bank had been informed about change in crop, bank had reappraised the project and revised loan sanction letter had been issued at appropriate time, loan disbursement details support the above.
  - c. Joint Inspection of the project will be mandatory.
  - d. The lower out of original cost and revised cost of plantation will be taken in to account for subsidy calculation and similarly any change towards lower side the cost of any other component such as micro-irrigation etc. shall be duly taken in to account but no enhancement of cost towards any other component of project shall be allowed and
  - e. Inter category change such as orchard to controlled condition cultivation will not be allowed.

## **CHAPTER-III**

### **Guidelines for Inspection / Joint Inspection Projects on Completion**

**Objective-** Inspection / Joint Inspection of the project is carried out with the prime objective of ensuring that the project has been completed as per original project report at approved project site and all essential components have been completed with satisfactory quality of execution and acceptable standard of workmanship. It is also aimed at verifying the vouchers and other records maintained by the beneficiary in order to make assessment about the component-wise actual expenditure incurred by the beneficiary and making assessment about cost of the project. It not only gives pen-picture of the project but also provides photographs / video films as per standing instructions of NHB by way of proof of existence of assets created.

**Intimation of completion of project and carrying out Inspection / Joint Inspection-** On completion of credit linked project for which LOI has been issued by the Board, promoter will inform the concerned financing institution (FI) / Bank about the completion of the project. As soon as possible after receipt of the information/documents regarding completion of the project for which Banker himself has been authorized by NHB to carry out Inspection of the Project along with the beneficiary, the banker will make the spot inspection of the project and submit the Inspection Report duly signed on each page by the Bank Officer in the NHB prescribed format. In cases requiring Joint Inspection the concerned FI / Bank will fix the date for Joint Inspection of the project in consultation with concerned State I/c of NHB. Such cases will be jointly inspected by representative of NHB and representative of financing institution (FI) / Bank in presence of beneficiary. Representative of State Directorate of Horticulture may also be associated as per standing orders of NHB.

**Salient features of Inspection Report** - Bank Inspection Report / Joint Inspection Report will be submitted in the form given at **Format-III** by the concerned FI / Bank to NHB. Inspection report is in writing giving necessary description of various components of the project and project land, source of funding, whether all the components of the project are new etc; it is supported by photograph or video film as per standing instructions of NHB.

## **Some points which must be recorded in Inspection Report by Inspecting team:-**

- i) **In case of the orchard/plantation crop** - date of plantation, plant density, name of the varieties grown and source and cost of purchase of quality planting material is to be clearly mentioned in the report.
- ii) **In case of tissue culture/mushroom production/aromatic plants and processing unit** –installed capacity for production of the tissue culture plants (nos.) / annum, mushroom production/aromatic oil (MT / annum) mentioned clearly and separately.
- iii) **In case of vermin-compost unit under the project** – status of kuchha / pukka foundation / superstructure along with the dimensions.
- iv) **In case of mix fruit crops** – area and plant density of each crop to be mentioned crop-wise separately.
- v) **In case of infrastructure like Labour Quarter, Store Room, Water Storage tank, etc.** – complete dimension/area having length and width, ceiling height and type of roof, material used for wall (Brick with cement mortar or mud mortar, RCC etc) to be mentioned clearly.
- vi) **In case of Tractor** – The Inspecting Officer must ensure that a photograph of the tractor along with beneficiary and Bank Officer and attested copy of tractor registration certificate (RC) are to be sent. The registration number of the tractor must tally as per the photographs/RC as mentioned in the inspection report of the Bank Officer / JIT.

## **Making Assessment of cost of components of project and project as a whole on completion of project-**

Inspecting Officer / Joint Inspection Team is also responsible for making assessment of the cost of various components of the project and the project as a whole. It is generally made by verifying documentary proof such as vouchers / money receipts relating to procurements / services received etc. At times, when veracity of vouchers / money receipt is not certain, a fair assessment of cost may be made taking into account the local rates etc. Valuation made by Chartered accountant may also be taken into account. Generally, the FIs / Banks release subsequent and final installments of loan after ascertaining value of work executed through CA certificate etc. Such documents may also form the basis of assessing cost of components of the project and project as a whole.

- **Note-** It is advisable to inform the beneficiary about the compliances to be made by him for forwarding subsidy claim for his project; such as, requirement of fresh affidavit in prescribed Performa etc.

## **CHAPTER-IV**

### **Guidelines for Making Subsidy Claims**

**Procedure for submission of documents/papers for final subsidy claim to the Board:-** The concerned FI / Bank who has provided credit for the project has to submit subsidy claims to respective office of NHB directly according to the delegation of powers for sanctioning subsidy for the project. In all cases, the subsidy claims must be submitted in the following manner by speed post / registered post / or by messenger of the Bank who must have Identity Proof of being messenger or must carry authorization certificate from the concerned bank branch. This will help eliminate possibility recurrence of cases of submission of fake subsidy claims as had happened in some States. NHB is proposing to make provisions enabling Financing Institution to make online entry about loan sanction, release of installments of loan, progress of project implementation and making subsidy claims which may facilitate reporting of progress of project and later on, processing by competent authority in NHB of subsidy claims pending receipt of signed and attested copies of documents.

**Eligible Project Cost (EPC)-** It is observed that the farmers/beneficiaries and bankers are sometimes under impression that the subsidy @ 20% of the project cost as appraised or as assessed during Inspection / Joint Inspection of completed project will be sanctioned. This is not true. Therefore, it is being clarified that 20% subsidy will be sanctioned and released against the eligible project cost (EPC). EPC is calculated taking in to account per unit area project cost, and component-wise cost norm. In addition, it is to be noted that the component wise eligible cost shall be least of cost indicated in project report, cost appraised by the bank / FI and cost assessed during Inspection / Joint Inspection of the project. The components not indicated in project report, appraisal report shall, therefore, be not eligible for inclusion for the purpose of calculation of EPC. Similarly, change in crop or project site without prior approval of NHB shall make the component or project, as the case may be, ineligible for getting subsidy. Even the change in FI / Banker should be done with prior approval of NHB. It should also be ensured that condition of prescribed minimum percentage of term loan is fulfilled otherwise, subsidy claims will be rejected. Crop-wise and component-wise cost norms are enclosed at **Appendix-I**.

**Documents to be submitted with subsidy claims-** Keeping in view of the above, the subsidy claims must be submitted in the form prescribed at **Format-VII** along with following documents including the Bank Inspection Report :-

- (a) Completion certificate of the project as issued by the Bank.
- (b) Financial appraisal carried out by the Bank before sanction of term loan showing means of finance along with any other details showing investment components and their costs. In case, pre-sanction inspection of project site is carried out by the FI / Bank, then a

- certified copy of each of such documents should also be submitted along with subsidy claim.
- (c) Term loan sanction letter issued by the Bank to the beneficiary with detailed terms & conditions clearly mentioning the purpose of term loan, period of repayment along with the activities e.g. plantation of fruits crops with drip/sprinkler system, establishment of hi-tech green house for commercial cut flower/horticulture produce, tissue culture unit, primary processing of horticulture produce, establishment of quality planting material nursery, etc. for which loan sanctioned.
  - (d) Date wise term-loan disbursement detail for the project.
  - (e) Extract of term-loan account of promoter related to the project.
  - (f)** Notarized Affidavit by the farmer on Rs 20/- stamp paper as per NHB prescribed format. **(Format-IV)**
  - (g) Copy of Record of Rights of project land as appended in loan document by the beneficiary along with Search Report, if any, got done by the FI / Bank. This will enable NHB tally the same with the copy of record of right submitted by the beneficiary to NHB along with application for LoI.
  - (h) Photographs taken at the time of inspection of the project **duly signed by the Bank Officer and the promoter**. It should be ensured that the Inspecting Officer (Bank Officer) along with Promoter and NHB officer (in case of JIT) should also be seen in the photographs.
  - (i) All major components of the project i.e. Drip irrigation system, PHM infrastructure, store room, watchman / servants waiting room, water harvesting pond, tube-well, tractor and planted crop in the field along with sign board of project etc. must be covered in the photographs.
  - (j) Duly certified expenditure statement (prepared on the basis of vouchers/bills) by Bank or CA certificate as per NHB format **(Format-V)** by way of proof of assessed cost of the project during Inspection / Joint Inspection
  - (k) If release of subsidy by RTGS is preferred by the Bank then application for the same with details of corresponding subsidy reserve fund account **(Format-VI)**.

#### **Procedure for adjustment of borrower's account:-**

The subsidy released by NHB to Bank/FI in favour of the project shall be kept in the separate account termed as **Subsidy Reserve Fund**. The adjustment of subsidy to term loan account shall be made only as back-ended subsidy. Accordingly, the full project cost including the subsidy amount but excluding the margin money contribution from the beneficiary would be disbursed as loan by the banks. The repayment schedule will be drawn on the loan amount in such a way that the subsidy amount is adjusted after the bank loan portion (excluding subsidy) is liquidated. The subsidy amount in the borrower's Term Loan account should be adjusted only as a part of the recovery of last installment which should not be prior to 36 months period from the date of release of Term Loan.

Therefore, term loan account of borrower should not be charged interest from the date subsidy amount is received by the Bank.

**Submission of the Utilization Certificate by the Bank/FI:-**

After completion of the project and closure of borrower's term loan account and on adjustment subsidy amount as part of the last installment which should not be prior to 36 months period from the date of release of Term Loan, the Bank/FI shall submit to NHB Utilization Certificate of the subsidy amount in Performa prescribed **(Format-VIII)** .

# **FORMAT-I**

- 1) Date of application
- 2) Control No. :  
**(to be given by NHB)**

**To,  
The Centre In-Charge  
National Horticulture Board**

.....  
.....  
(only projects upto Rs. 20.00 Lakh may be sent to this address)

**To  
The Managing Director  
National Horticulture Board  
Plot No. 85, Sector-18, Institutional  
Area, Gurgaon-122015  
(Haryana)**

(projects above Rs. 20.00 Lakh may be sent to this address and a copy of the same to concerned State Office too)

## **Application for Letter of Intent (LOI) under the scheme "Development of Commercial Horticulture through production and post Harvest Management" of National Horticulture Board)**

**B. PROPOSED ACTIVITY**

(Cultivation/PHM/Primary Processing/Horticulture ancillary)

1. Name of the Project

2. Location:

Survey/Khasra No. \_\_\_\_\_ Village \_\_\_\_\_, Taluka \_\_\_\_\_,  
District \_\_\_\_\_, State \_\_\_\_\_

3. Activity proposed under the project in details:-

(a) Area under cultivation/project

	<u>Name of the Crops</u>	<u>Variety (s)</u>	<u>Area ( acres )</u>	<u>No. of plants</u>	<u>Source of Planting Material</u>
i)	.....	.....	.....	.....	.....
ii)	.....	.....	.....	.....	.....
iii)	.....	.....	.....	.....	.....
iv)	.....	.....	.....	.....	.....
v)	.....	.....	.....	.....	.....

b) PHM Activity

- Grading & packing/Pre-cooling/Refer Van:-

c) Primary processing

- Activity in brief with details of products:-

d) Horticulture ancillary industry e.g. tools, equipments, plastics, packaging etc.

- Activity in brief :-

e) Misc. activities (Not covered in a to d)

- Activity in brief :-

f) Refer Van/Specialized Transport Vehicle

**B.II** (a) Whether proposed activity in application is a completely a new activity Yes/No

**(if No, the details of pre-existing activity or any component thereof included in the application should be indicated clearly)**

.....  
.....

(b) Whether any subsidy has been availed Yes/No for the proposed proposal/activity from Central Govt. or any of its Agencies.

**(if YES, please indicate clearly in detail**

.....  
.....

**C. PROPOSED PROJECT COST (Component-wise)**

<b>Component/Item</b>	<b>(Proposed Cost)</b>
<b>(a) Cultivation</b>	<b>(Amount in Rs.)</b>

**1) Cost of Cultivation**

(i) Cost of planting material	.....
(ii) Cost of fertilizer & manure	.....
(iii) Source of planting material & proposed variety(ies)	.....
(iii) Cost of insecticides & pesticides	.....
(iv) Cost of labour	.....
(v) Other expenditure, if any (pl. specify)	.....

**2) Irrigation**

(i) Bore-well/Tube-well (new/old)	.....
(iii) Cost of pipeline (length, diameter & type of material used)	.....
(iv) Water harvesting pond (existing/new & size)	.....
(v) Other expenditure, if any (pl. specify)	.....

**3) Micro Irrigation, use of plastic mulching etc.**

(i) Cost of drip irrigation	.....
(ii) Cost of sprinkler	.....
(iii) Cost of plastic mulching	.....
(iv) Other expenditure, if any (pl. specify)	.....

**4) Infrastructure**

(i) Pump House	.....
(ii) Store	.....
(iii) Labour quarter	.....
(iv) Generator room	.....
(v) Other expenditure, if any (pl. specify)	.....

**5) Cost of Tractor & accessories** .....

[If area under cultivation (project) is above 05 acres]

**6) Land development (including digging of pit & fencing.....**

- 7) Cost of Land, if purchased .....
- 8) Creation of controlled atmosphere      Area (sq. mtrs)      Cost
- a) Green house/poly house (size)      .....      .....
- b) Shade net (size)      .....      .....
- Total** .....

**(b) Post Harvest Infrastructure**

1. Cost of grading/packing house .....
2. Cost of grading/packing line .....
3. Cost of pre-cooling unit (capacity) .....
4. Cost of refrigerated van (capacity) .....

**LOI NO. \_\_\_\_\_**

**Sir,**

Please find enclosed herewith the following documents/papers in respect of project of \_\_\_\_\_ Village \_\_\_\_\_ District \_\_\_\_\_ State \_\_\_\_\_ and LOI No. \_\_\_\_\_. It is, hereby, recommended that NHB should release the recommended back-ended subsidy in respect of above mentioned project. Original or attested copies of following documents are being enclosed herewith :-

<b>Sr. No.</b>	<b>Particulars</b>	<b>Yes/No</b>
1	Detailed financial appraisal from the Banks/FIs	
2	Sanction letter of Term Loan	
3	Details of date-wise release of term loan	
4	Extract of term loan account	
5	Copy of record of rights over project land / search report.	
6	Affidavit from promoter on stamp papers (as prescribed by NHB)	
7	Statement of vouchers examined / copy of CA Certificate, used for assessing component wise cost and project cost	
8	Copy of RC in case of tractor, etc.	
9	Photographs of the project taken at the time of inspection.	
10	Release of subsidy by RTGS by Bank (RTGS Remittance Challan)	

It is certified that the original of above documents pertaining to the projects are kept in Bank/FI, which can be shown at the time of random monitoring by the Board or any agency authorized by the Board.

The term loan in the project is not sanctioned for one or few components but for whole of integrated project as appraised. It is also certified that activity and component considered and recommended in the inspection report are new and have been completed as recorded in inspection report. No old plantation or component is recommended for consideration of subsidy. The project is complete as per original project report and components not implemented in a manner which will not affect viability of project adversely.

The information furnished in the inspection report are true to the best of my knowledge and belief and no material fact has been concealed.

## **Appendix-II**

### **Operational Guidelines for Switching Over to system of applying subsidy ceiling on per project basis from per beneficiary basis**

Board of Directors in its last meeting held on 03.12.2009 approved the subsidy of production related projects on per project basis on the pattern of subsidy admissible under NHB scheme for all other credit linked components viz PHM and Cold Storage and storage of Horticulture Produce. However, MC desired that NHB should frame guidelines to prevent willful splitting of projects with the sole intention of availing higher subsidy. Accordingly following guidelines are proposed for consideration and approval of subsidy:

1. Admissible limit of subsidy per project shall not exceed 20% of the project cost maximum up to Rs.25.00 lakh (Rs.30.00 lakh per project in the case of North East and Hilly areas). Restrictions of number of projects and time limit shall not apply for subsidy up to Rs.25.00 lakh (Rs.30.00 lakh per project in the case of North East and Hilly areas) per beneficiary).
  2. The beneficiary could also establish new project (s) and avail further subsidy without any restriction of place subject to the following conditions:-
    - a. The project should not be established on the same piece of land on which subsidy had already been availed. However, if the extent of area of a piece of land is larger than the area covered earlier for subsidy, the subsidy shall be admissible only for un-covered area. In other words, subsidy shall not be admissible for re-plantation on a piece of land for which plantation assistance has already been given.
    - b. New project should be altogether a complete project with separate term loan and viability worked out separately by the bank. It should not be willfully split part of any other project for the purpose of availing higher subsidy. Accordingly, an integrated part of a project split for the purpose of subsidy shall not be allowed. The fact that a subsequent project has structural and operational integration with previous project may in itself may not be sufficient to establish willful splitting of original project if following two conditions are fulfilled-
      1. First or any of the previous projects (in case of several previous projects) is techno-economically viable as standalone unit,
      2. Subsequent project has neither been started nor has the loan for the same been applied for, prior to completion of, and release of subsidy for the first project.
- Illustrations- Subject to condition No. 2 above-
- i. Protected cultivation under separate poly-houses / green houses may be considered as separate project.

- ii. Projects in open cultivation at new piece of land may be considered as separate project.
  - iii. A project of producing frozen peas / cut vegetables when split into processing unit with IQF as one unit and cold storage as second component shall not be admissible as two separate projects for the simple reason that processing with IQF components without storage facility at sub-zero temperature has to be integrated structurally and therefore, the processing unit without cold storage cannot be considered to be a complete project.
  - iv. Pack-house with or without pre-cooling facility as one unit and cold storage (zero degree and above temperature) as second unit may be allowed as two different projects for calculation of subsidy even though they are in same premises for the reason that they are independently viable projects.
- c. Wherever subsidy is claimed for the 2nd project or subsequent project (s) by same beneficiary, it would be essential that previous project (s) must be complete, operational and not abandoned by the promoter.
  - d. Multiple proposals of Public Sector undertaking / State Govt. or state Govt. as partner under PPP arrangement may be accepted at a time wherever sizeable quantity of a produce is needed for commercial viability.
  - e. These guideline shall be applicable w.e.f. 3 Dec 2008. As a result, proposal of issue of LOI turned down solely on the ground of upper limit of eligible subsidy on per beneficiary basis can be re-opened and decided as per revised guidelines. However, subsidy claims already decided for eligible subsidy, even though actual release of subsidy might not have taken place, should not be re-opened. Subsidy claims yet to be decided would be eligible for decision in accordance with the revised guidelines.

## Appendix-III

### List of National Horticulture Board Offices
