RESOLUTION NO. 20-05

BOARD OF TRUSTEES OF OREGON STATE UNIVERSITY

A RESOLUTION OF THE BOARD OF TRUSTEES OF OREGON STATE UNIVERSITY, AUTHORIZING THE UNIVERSITY TO ENTER INTO AN AGREEMENT FOR A ONE OR MORE CREDIT FACILITIES IN THE AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED \$50,000,000, FOR THE PURPOSE OF PROVIDING INTERIM FINANCING FOR UNIVERSITY PROJECTS; PROVIDING FOR THE ISSUANCE AND DELIVERY OF ONE OR MORE NOTES TO EVIDENCE THE UNIVERSITY'S OBLIGATIONS UNDER SUCH AN AGREEMENT; AND DELEGATING AUTHORITY TO THE AUTHORIZED UNIVERSITY REPRESENTATIVE TO SELECT ONE OR MORE BANKS AND EXECUTE THE AGREEMENTS AND OTHER DOCUMENTS IN CONNECTION WITH THE ISSUANCE AND DELIVERY OF THE NOTE AND APPLICATION OF THE PROCEEDS THEREOF.

WHEREAS, Oregon Revised Statutes ("ORS") 352.087 authorizes Oregon State University (the "University") to borrow money for the needs of the University in such amounts, at such times, and upon such terms as may be determined by the University acting through its Board of Trustees (the "Board"); and

WHEREAS, ORS 352.408(1) authorizes the University to issue revenue bonds (including any contractual undertaking or instrument to repay borrowed moneys) for any lawful purpose of the University in accordance with ORS chapter 287A; and

WHEREAS, the University Debt Policy provides that the University may use debt or other financing agreements to meet its strategic objectives and, pursuant to Section V of the Debt Policy, the Board must authorize all new debt issuances; and

WHEREAS, the University's Liquidity Management Policy identifies sources of liquidity, establishes and assigns responsibilities for managing the institution's liquidity needs, outlines the University's philosophy on liquidity management, and provides a framework for utilization of short-term debt; and

WHEREAS, the Liquidity Management Policy contemplates use of revolving short-term debt instruments, such as lines of credit, for interim financing to provide liquidity for the University's capital and operating needs, and provides conditions for use of short-term debt instruments for capital projects; and

WHEREAS, the University previously issued its General Revenue Note, 2017 and General Revenue Note, 2017 (Federally Taxable) (together, the "2017 Note") to evidence a revolving line of credit in the principal amount of \$50,000,000 outstanding at any time; and

WHEREAS, the 2017 Note is scheduled to mature on July 7, 2020; and

WHEREAS, the University now desires to replace the 2017 Note by establishing one or more credit facilities, lines of credit, or other similar product to be drawn on from time to time in an aggregate amount not to exceed \$50,000,000 in principal amount outstanding at any time payable from General Revenues of the University; and

WHEREAS, the University now desires to provide for the issuance and delivery of one or more notes in the aggregate amount of not to exceed \$50,000,000 in principal amount outstanding at any time to evidence the University's obligations under one or more Credit Facility Agreements to provide for interim financing of capital projects in anticipation of issuance of long-term debt and/or receipt of certain philanthropic gifts or grants for University projects and for operations driven by investment liquidation timing; and

WHEREAS, the Board wishes to delegate authority to the Vice President for Finance and Administration and Chief Financial Officer of the University, or any interim officer exercising, or successor to, the functions of such office, or the designee of such officer (each, an "Authorized University Representative"), for a limited time, to enter into one or more Credit Facility Agreements with one or more lenders selected by the Authorized University Representative as provided by this Resolution;

NOW, THEREFORE, the Board resolves as follows:

Section 1. Definitions and Interpretation of Terms.

(a) *Definitions.* As used in this Resolution, the following words shall have the following meanings, unless a different meaning clearly appears from the context:

Additional Bonds means bonds, leases, interest rate swaps, and other contractual obligations issued by the University and expressly secured by a pledge of General Revenues on a parity with the pledge securing the payment of the principal of and interest on the Prior Bonds.

Authorized University Representative means the Vice President for Finance and Administration of the University, or any interim officer exercising, or successor to, the functions of such office, or the designee of such officer.

Board means the Board of Trustees of the University.

Bond Act means, together, chapters 287A and 352 ORS, in each case as amended from time to time.

Code means the Internal Revenue Code of 1986 as in effect on the date of issuance of the Notes or (except as otherwise referenced herein) as it may be amended to apply to obligations

issued on the date of issuance of the Notes, together with applicable proposed, temporary and final regulations promulgated, and applicable official public guidance published, under the Code.

Credit Facility Agreement means one or more agreements entered into with a Bank pursuant to this Resolution for the purposes of extending a revolving credit facility, which may include line of credit or similar financial product, to the University.

Debt Management Agreement means the Restated and Amended Agreement for Debt Management among the University, the State Treasurer, the Higher Education Coordinating Commission, and Department of Administrative Services dated as of July 1, 2015, as it may be amended from time to time.

For clarity, the University notes that moneys received by the University from taxes collected by the State and gifts are not operating revenues of the University and are therefore not included in the definition of General Revenue. Unrestricted net assets, to the extent that they were received as ***General Revenues***, would be includable and available to pay obligations secured by ***General Revenues***. Upon the addition or deletion of any income, revenues, or receipts from General Revenues pursuant to Section 11, this definition of General Revenues shall be deemed to be amended accordingly without further action by the University.

Grant and Contract Revenue means revenue from grants and contracts, whether restricted or unrestricted, including for illustrative purposes the following items identified in the University's financial statements: federal grants and contracts, state and local grants and contracts, and nongovernmental grants and contracts.

Prior Bonds means the 2015 Bonds, the 2016 Bonds, the 2017 Bonds, the 2017 Note, the 2019 Bonds and any Additional Bonds issued prior to the date of issuance of the Note.

Registrar means the Authorized University Representative or any bank or trust company selected by the Authorized University Representative pursuant to Section 5 of this Resolution for the purposes of registering and authenticating the Note, maintaining the Note register, registering the transfer of the Note, and paying interest on and principal of the Note.

State means the State of Oregon.

State Treasurer means the Treasurer of the State.

Student Building Fee means the separate fee charged by the Board to students for the use of buildings, structures and projects under the Board's control. The Student Building Fee is in addition to tuition and other fees charged to students.

Student Incidental Fee means the separate fee charged by the Board to students pursuant to a request by the recognized student government under a process established by the student government. The recognized student government allocates the Student Incidental Fees collected for purposes pursuant to the process established by the student government.

The Board hereby finds that it is in the public interest for the University to finance or refinance all or a portion of the capital costs of acquiring, developing, constructing, improving, and equipping facilities owned by the University and for operations as required by investment liquidation timing (collectively, the “Projects”) and to provide for interim financing for such Projects in anticipation of issuance of long-term debt and/or receipt of certain philanthropic gifts or grants for University projects or other funds through one or more revolving credit facilities, lines of credit, or similar financial products upon the terms and conditions set forth in this Resolution.

Section 3. Authorization and Description of the Notes. Each Note shall bear interest determined as set forth in the Credit Facility Agreement and approved by the Authorized University Representative from time to time. Each Note shall be issued in the form of a fully registered Note and, unless the Registrar shall otherwise direct, shall be numbered R-1 and upwards. Each Note shall be named Oregon State University General Revenue Note, Series ____, with an additional designation as determined to be necessary by the Authorized University Representative. Such authentication shall be proof that the registered owner is entitled to the benefit of the trusts hereby created.

Section 5. Registration, Transfer and Exchange. The Authorized University Representative is hereby authorized to serve as Registrar or to appoint as Registrar a bank or trust company qualified by law to perform the duties described herein. So long as any Note remains outstanding, the Registrar shall make all necessary provisions to permit the exchange or registration of transfer of a Note. The Registrar is authorized, on behalf of the University, to authenticate and deliver Notes transferred or exchanged in accordance with the provisions of such Note and this Resolution and to carry out all of the Registrar’s powers and duties under this Resolution. The Registrar shall be responsible for its representations contained in the Certificate of Authentication on each Note. Notes shall be held in certificated form. The University will

maintain a system for recording the ownership of each Tax-Exempt Note that complies with the provisions of the Code until all Tax-Exempt Notes have been surrendered and canceled.

Section 6. Form of Note. Each Note shall be in substantially the form set forth as Exhibit A, with appropriate or necessary insertions, depending upon the omissions and variations as permitted or required hereby. The form of a Note shall further be changed as necessary to reflect whether such Note is a Tax-Exempt Note or a Taxable Note or whether draws on such Note can be made on a tax-exempt or a taxable basis.

Section 7. Execution. Each Note shall be executed on behalf of the University by the manual or facsimile signature of the Chair of the Board and shall be attested by the manual or facsimile signature of either the Secretary of the Board of Trustees or the Vice President for Finance and Administration of the University.

Only Notes that bear a Registration Certificate substantially in the form set forth in Exhibit A, manually executed by the Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution. Such Registration Certificate shall be conclusive evidence that the Note so authenticated have been duly executed, authenticated and delivered and are entitled to the benefits of this Resolution.

In case either of the officers of the University who shall have executed a Note shall cease to be such officer or officers of the University before the Note so signed shall have been authenticated or delivered by the Registrar, or issued by the University, such Note may nevertheless be authenticated, delivered and issued and upon such authentication, delivery and issuance, shall be as binding upon the University as though those who signed the same had continued to be such officers of the University. Any Note may also be signed and attested on behalf of the University by such persons as at the actual date of execution of such Note shall be the proper officers of the University although at the original date of such Note any such person shall not have been such officer.

Section 8. Application of Note Proceeds. The Authorized University Representative is hereby authorized and directed to create one or more special funds or accounts of the University (collectively the "Project Fund"). The proceeds of the Note shall be paid into the Project Fund. The money on deposit in the Project Fund shall be utilized to provide interim financing for all or portion of the costs of the Projects, by paying or reimbursing the University for costs of the Projects and costs incidental thereto, and for costs related to entering into a Credit Facility Agreement and issuing the Note, to the extent designated by the Authorized University Representative.

All or part of the proceeds of the Note may be temporarily invested in Permitted Investments. Except as otherwise provided in the Federal Tax Certificate, the University covenants that all investments of amounts deposited in the Project Fund, or otherwise containing gross proceeds of a Tax-Exempt Note (within the meaning of Section 148 of the Code) will be acquired, disposed of, and valued (as of the date that valuation is required by the Code) at Fair Market Value.

In the event that it shall not be possible or practicable to accomplish all of the Projects, the University may apply the proceeds of the Note to pay the costs of such portion thereof as the Authorized University Representative shall determine to be in the best interests of the University, subject to any applicable limitations set forth in the Federal Tax Certificate.

Any part of the proceeds of the Note remaining in the Project Fund after all costs referred to in this Section have been paid may be transferred to the Note Fund for the uses and purposes therein provided, subject to any applicable limitations set forth in the Federal Tax Certificate.

Section 9. Tax Covenants. The University will take all actions necessary to assure the exclusion of interest on any Tax-Exempt Note from the gross income of the owners of the Tax-Exempt Note to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Tax-Exempt Note, including but not limited to the following:

(a) The University will assure that the proceeds of each Tax-Exempt Note are not used so as to cause the Tax-Exempt Note to constitute a “private activity bond” as set forth in the Federal Tax Certificate.

(b) The University will not take, or permit or suffer to be taken, any action with respect to the proceeds of a Tax-Exempt Note which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Tax-Exempt Note would have caused the Tax-Exempt Note to be "arbitrage bonds" as provided in the Federal Tax Certificate.

(c) The University will comply with the provisions of the Federal Tax Certificate with respect to Tax-Exempt Notes, which are incorporated herein as if fully set forth herein. In the event of any conflict between this Section and the Federal Tax Certificate, the provisions of the Federal Tax Certificate will prevail.

The covenants of this Section will survive payment in full or defeasance of the Tax-Exempt Notes.

Section 10. Note Fund. Each Note shall be a general revenue obligation of the University, payable from General Revenues and secured as provided herein. The Authorized University Representative is hereby authorized and directed to establish the Note Fund as a special fund of the University to be designated as the General Revenue Note Redemption Fund (the “Note Fund”). The University covenants to deposit into the Note Fund from General Revenues on or prior to each interest payment date, redemption date and maturity date an amount sufficient to pay the interest on any Note then coming due and the principal of any Note maturing or subject to redemption. Such payments shall be made in sufficient time to enable the Registrar to pay interest on and/or principal of and redemption price of each Note to the registered owner(s), when due. Net income earned on investments in the Note Fund, if any, shall be deposited in the Note Fund.

Section 11. Sources of Security.

(a) *Pledge of General Revenues.* Each Note shall be payable solely from and secured

by a pledge of General Revenues and the money and investments deposited into the Note Fund. Each Note shall not constitute an indebtedness or obligation of the State, nor a charge upon revenue or property of the State. The registered owner(s) of each Note shall have no right to require the State, nor has the State any obligation or legal authorization, to levy any taxes or appropriate or expend any of its funds for the payment of the principal thereof or the interest thereon. The University has no taxing power.

The University hereby pledges General Revenues and the money and investments deposited into the Note Fund to the payment of the principal of and interest on each Note when due. Each Note, together with other General Revenue obligations of the University including without limitation the Prior Bonds and any Additional Bonds, shall be equally and ratably payable from and secured by a pledge of General Revenues without preference, priority or distinction because of date of issue or otherwise.

Pursuant to ORS 287A.310, this pledge shall be valid and binding from the time of the adoption of this Resolution. The amounts so pledged and hereafter received by the University shall immediately be subject to the lien of this pledge without any physical delivery, filing or any other act. Except as provided in this Resolution, the lien of this pledge shall be superior to all other claims and liens whatsoever to the fullest extent permitted by ORS 287A.310.

(b) *Pari Passu with University-Paid State Bonds.* The Bond Act provides for full payment of State debt obligations evidenced by the University's obligations to make University-Paid State Bonds from legally available funds. On and after the date that amounts are transferred to the State Treasurer for deposit to be credited against the University-Paid State Bonds next coming due, and on and after the date amounts, if any, are paid to the State Treasurer to pay without duplication University-Paid State Bonds next coming due, such amounts are no longer part of the definition of General Revenues available to pay the principal of and interest on the Note. Until such date, the University-Paid State Bonds are payable on a *pari passu* basis with the Prior Bonds, any Additional Bonds and any Note subject to and to the extent provided in the Bond Act.

(c) *All General Revenue Obligations Have Equal Claim on General Revenues.* Each Note shall be equally and ratably payable, without preference, priority or distinction because of date of issue or otherwise from General Revenues, together with other General Revenue obligations of the University, including without limitation the Prior Bonds and any Additional Bonds.

(d) *Additions to General Revenues.* The University reserves the right to include in General Revenues, at its sole option, in the future, other sources of revenue or income excluded in the definition of General Revenues. The addition of General Revenues shall be evidenced by a certificate executed by the Authorized University Representative identifying the items to be added.

(e) *Deletions from General Revenues.* The University reserves the right to remove, at its sole option, in the future, any revenues from General Revenues, so long as no more than 10% of General Revenues (based on the University's most recent audited financial statements) are removed in any fiscal year. The removal of General Revenues shall be evidenced by a certificate executed by the Authorized University Representative identifying the items to be deleted.

(f) *Additional Bonds.* The University shall have the right to issue additional obligations for University purposes as permitted under the Bond Act or otherwise under State law.

Section 12. Covenant of the University. So long as any Note is outstanding, the University covenants to pay or cause to be paid the principal of and the interest on any outstanding Note on the dates, from the sources of funds and in the manner, all as provided herein.

Section 13. Prepayment; Early Termination. The Note may be subject to prepayment conditions and/or to an early termination payment if and to the extent set forth in the applicable Credit Facility Agreement.

Section 14. No Recourse Against Individuals. No owner of a Note (registered or beneficial) shall have any recourse for the payment of any part of the principal of, redemption price, if any, of or interest on the Note, or for the satisfaction of any liability arising from, founded upon, or existing by reason of, the issuance or ownership of such Note against any past, present or future officer, director, trustee, employee or agent of the University or any past, present or future officer, director, trustee or member of the Board in their individual capacities.

Section 15. Delegation of Authority; Ratification of Prior Acts.

(a) *Delegated Authority.* The Authorized University Representative is authorized pursuant to the University Debt Policy and this resolution to make the following determinations and/or take the following actions, prior to the issuance and delivery of the Note, subject to the limitations described below:

1. select one or more Banks from time to time;
2. negotiate and execute one or more Credit Facility Agreements, including amendments and modifications to such Credit Facility Agreements from time to time consistent with this Resolution;
3. subject to the limitations set forth herein, approve the interest rates, aggregate principal amount, prepayment rights, and other terms and conditions of the Note;
4. determine whether any Note (or draws thereon) shall be issued as a Tax-Exempt Note; and
5. allocate Note proceeds to the Projects.

(b) *Parameters of Delegated Authority.* The Authorized University Representative is hereby authorized to approve the foregoing subject to following conditions:

1. the aggregate principal amount of all Notes evidencing the University's obligations under all Credit Facility Agreements issued under this Resolution shall not exceed \$50,000,000 in principal amount outstanding at any time;

2. the final maturity date of any Note shall not be later than five years after the date of issuance of such Note;
3. the true interest cost to the University determined at the time of issuance shall not exceed 3.50% in the case of a fixed rate Note; and
4. the initial true interest cost to the University determined at the time of issuance shall not exceed 3.50% in the case of a variable rate Note; and
5. any Note shall be issued prior to June 30, 2025.

(c) *Other Authority; Ratification of Prior Acts.* Upon determination by the Authorized University Representative that all conditions to have been satisfied, or upon waiver of such conditions by the appropriate parties, the Authorized University Representative is hereby authorized and directed (1) to cause each Note, executed as provided in this Resolution, to be authenticated and delivered to the Bank; and (2) to execute, for and on behalf of the University, and to deliver to the persons entitled to executed copies of the same, all other documents required to be delivered including without limitation one or more Credit Facility Agreements and amendments and modifications thereto consistent with this Resolution. The Chair of the Board and Authorized University Representative, and other appropriate officers of the University are authorized to take any actions and to execute and deliver documents as in their judgment may be necessary or desirable in order to carry out the terms of, and complete the transactions contemplated by, this Resolution. All acts taken pursuant to the authority of this Resolution but prior to its effective date are hereby ratified.

Section 16. Severability. If any provision in this Resolution is declared by any court of competent jurisdiction to be contrary to law, then such provision shall be null and void and shall be deemed separable from the remaining provisions of this Resolution and shall in no way affect the validity of the other provisions of this Resolution or of the Note.

Section 17. Amendments. This Resolution may be amended or supplemented by a supplemental resolution with the consent of the Bank.

Section 18. Benefit of Resolution. Nothing in this Resolution, express or implied, is intended or shall be construed to confer upon or to give to any person, other than the University, the Registrar, the Bank, or other registered owners of any Note, any right, remedy or claim under or by reason of this resolution; and the covenants, stipulations and agreements in this resolution are and shall be for sole and exclusive benefit of the University, the Registrar, the Bank, and other registered owners of the Note, their successors and assigns.

Section 19. Effective Date. This Resolution shall take effect immediately upon adoption by the Board.
