

Tax Retrieval Instructions

Key

- For 2023-24 aid year use **2021** tax info
- For 2024-25 aid year use **2022** tax info

Students chosen for verification are required to provide certain tax information. The two main options for doing this are either to use the Data Retrieval Tool on the student's FAFSA (for 23/24 aid year only) to electronically pull in the tax information to the form **OR** to request a copy of the applicable year's* Tax Return Transcript(s) from the IRS. Please see your verification form to determine what documentation is required. For the 24/25 aid year, most people will consent to use the direct data exchange to transfer federal tax information (FTI) from the IRS to the FAFSA. *See key above to determine applicable tax year

(FOR 23/24 ONLY) TO USE THE IRS DATA RETRIEVAL TOOL:

- Log into the student's FAFSA and click the link to "make a FAFSA correction."
- Under the "Financial Information" tab, if you have indicated you have already completed your taxes and are able to answer no to the yes/no questions which follow, you will be presented with a blue "Link to IRS" button.
- Click the "Link to IRS" button and follow the instructions on the IRS website to transfer the information to the FAFSA.
- Ensure you sign and submit the FAFSA to send the updated information to our school.
- NOTE: If any changes are made to the information transferred using the IRS data retrieval tool, you will be required to submit a tax return transcript or a signed copy of your 1040 tax return with applicable Schedules 1, 2 or 3.

(23/24 & 24/25) TO REQUEST A TAX RETURN TRANSCRIPT:

When requesting a transcript, tax filers need to provide their Social Security Number (SSN), date of birth, street address, and ZIP Code as is currently on file with the IRS. Generally, this is the address included on the latest tax return filed with the IRS. However, if an address change was made either with the IRS or with the U.S. Postal Service, the IRS may have the updated address on file. If this is the case, use the updated address.

Joint Tax Return - When requesting a transcript using the electronic processes described below, use the primary tax filer's information (e.g., SSN).
